The Man

With a short, thick foot, who hates to wear a boot a couple of sizes too long in order to get them wide enough, will be glad to know that we have designed a last that will suit him. We call it the "Army"—Box calf, Blucher cut, good solid soles, broad heels, Good-year Welt, insides smooth as a bottle.

We have long felt the necessity for a boot like this and feel sure that once people know we have them they will be appreciated.

BRITAIN'S SEAL OF SAFETY ON AN AMERICAN CARGO

One of the seals wired across the hatches over the holds on board the S.S. Joseph Fordney before she sailed for a neutral port from New York. British officials in American ports are now putting their official seals on cargoes that are bound for neutral ports over a route that passes through the British naval war zone in order to obviate the necessity of taking a ship to a British port for the inspection of the cargo to ascertain whether or not it includes contraband of war. The British officials inspect the cargoes in the American ports and they personally supervise the closing of the hatches, which they then seal.

Hints for the Cook

Hard Sauce

Beat ¼ cup butter to a cream, add gradually 1 cup powdered sugar. When white and light add the unbeaten white of 1 egg. Beat for 5 minutes. Sprinkle over it a little nutmeg and set away to cool. This is good with bread puddings.

Floating Island

Scald 1½ cups of milk and pour over ¼ cup sugar mixed with rolls of 2 eggs. Cook in double boiler until the mixture coats the spoon then strain, add ½ teaspoon vanilla and a pinch of salt. Beat the whites of eggs until stiff, drop by spoonful onto the custard and brown in the oven. Serve cold.

Bread and Butter Pudding

Butter the bottom of a pudding dish and strew with dried currants. Place a layer of very thin slices of buttered bread over the fruit, then fruit again; and so continue until the dish is nearly full. Make a custard—for each quart of milk used add 2 eggs—and a pinch of salt, sweeten to taste and flavor with vanilla. Pour the custard over the bread and fruit preparation and allow to stand for one hour, then bake.

A Nourishing Soup

Cut up into small pieces 1 pound of beef (that which is tender is best to use) or veal, and bring to the boiling point, slowly, with 1-2 cup of pearl barley and a pint (generous) 2 cups of water. Allow the whole to simmer until

COSTIVE BOWELS, HEADACHE, COLDS, TAKE CASCARETS
 No Headache, Sour Stomach, Bad Cold or Constipation by Morning.

Get a 10-cent box now.
 Furred Tongue, Bad Colds, Indigestion, Sallow Skin and Miserable Headaches come from a torpid liver and clogged bowels, which cause your stomach to become filled with undigested food, which sours and ferments like garbage in a swill barrel. That's the first step to untold misery—indigestion, foul gases, bad breath, yellow skin, mental fears, everything that is horrible and nauseating. A Cascaret tonight will give your constipated bowels a thorough cleansing and straighten you out by morning.

They work while you sleep—a 10-cent box from your druggist will keep you feeling good for months. Millions of men and women take a Cascaret now and then to keep their stomach, liver and bowels regulated, and never know a miserable moment. Don't forget the children—their little insides need a good, gentle cleansing, too.

NERVOUS DISEASES IN THE SPRING

Cured by Toning the Blood and Strengthening the Nerves

It is the opinion of the best medical authorities, after long observation that nervous diseases are more common and more serious in the spring than at any other time of the year. Vital changes in the system, after long winter months, may cause much more trouble than the familiar spring weakness and weariness from which most people suffer as the result of indoor life, in poorly ventilated and often overheated buildings. Official records prove that in April and May neuralgia, St. Vitus dance, epilepsy and other forms of nerve troubles are at their worst, and that then, more than any other time, a blood-making, nerve-restoring tonic is needed.

The antiquated custom of taking purgatives in the spring is useless, for the system really needs strengthening, while purgatives only gallop through the bowels, leaving you weaker. Dr. Williams' Pink Pills are the best medicine, for they actually make the new, rich, red blood that feeds the starved nerves, and thus cure the many forms of nervous disorders. They cure also such other forms of spring troubles as headaches, poor appetite, weakness in the limbs, as well as remove unsightly pimples and eruptions. In fact they unfailingly bring new health and strength to weak, tired and depressed men, women and children.

Sold by all medicine dealers or by mail at 20 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

about as thick as cream. Season with salt and pepper, and if the flavor of celery is liked and convenient, a little celery may be added. Serve while warm.

Cake Pudding
 One pint of dry cake crumbs, 1 cup coffee, ½ cup molasses, 1 tablespoon butter, 1½ cups flour, 1 teaspoon soda, 1 cup raisins and spice to taste. Steam three hours.

Steak With Tomato
 This is a good way of cooking a cheap cut of steak. It is nicest cooked in a casserole in the oven, but can be cooked in a tightly covered frying pan on top of stove. One pound round steak, three-quarters can tomato, one small onion, salt, red and black pepper to taste. Put all together in casserole or frying pan and cook slowly three hours. Cooking fast absolutely spoils it.

Rice Waffles
 Add to one cupful of cooked rice, 2 well-beaten eggs, tablespoonful of sugar, 8 cups flour, 1 teaspoon soda, 1 cup raisins and spice to taste. Steam three hours.

Rice Cups
 Put a pound of rice to soak for fifteen minutes, then drain and cover with boiling water and cook until tender. Strain well and mix with quart of milk. Flavor with tablespoon nutmeg and cinnamon. Boil it again slowly for ten minutes, then put into custard cups. Set in cool place to mould. Serve with fruit sauce or whipped cream or jelly.

On and After April 1st., M. R. A. Stores Will Open at 8.30 Instead a 9 A. M. and Commencing April 3rd Remaining Open Saturday Evenings Until 10 O'clock

BAD OPERATION AVOIDED

By Timely Use of Lydia E. Pinkham's Vegetable Compound.

Mrs. Sowers' Own Statement.
 Hodgdon, Maine.—"I feel it a duty I owe to all suffering women to tell what Lydia E. Pinkham's Vegetable Compound did for me. One year ago I found myself a terrible sufferer. I had pains in both sides and such a soreness I could scarcely straighten up at times. My back ached, I had no appetite and was so nervous I could not sleep, then I would be so tired mornings that I could scarcely get around. It seemed almost impossible to move or do a bit of work and I thought I never would be any better until I submitted to an operation. I commenced taking Lydia E. Pinkham's Vegetable Compound and soon felt like a new woman. I had no pains, slept well, had good appetite and could do almost all my own work for a family of four. I shall always feel that I owe my good health to your medicine."—Mrs. HAWARD SOWERS, Hodgdon, Maine.

If you are ill do not drag along until an operation is necessary, but at once take Lydia E. Pinkham's Vegetable Compound. If you have the slightest doubt that Lydia E. Pinkham's Vegetable Compound will help you, write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass., for advice. Your letter will be opened, read and answered by a woman, and held in strict confidence.
