PETER CLINCH

Retiring Official Well Known in Sport

Held Prominent Place in Amateur Rowing and Boxing Circles

At a special meeting of the New Brunswick Board of Fire Underwriters held yesterday in the board rooms it was decided, as a tribute to his long and efficient service, to superannuate Peter Clinch, the secretary of the board, who has held that position for nearly 47 years.

Mr. Clinch started in the fire insurance business as a young man with the late Louis A. Simon. He has had the agency here for the Northern Fire Insurance Company for a great many years, and when asked this morning was undecided as to whether he would still carry on as representative of that company.

Prominent in Sports

Not only Mr. Clinch well known in fire insurance circles throughout the Maritime Provinces, but in his younger days was also very prominent as an athlete. He gained considerable fame as an oarsman, was an amateur boxer of considerable ability, and also a rider of running horses.

As an amateur oarsman he was single sculls club champion of the Neptune Rowing Club of this city for the years 1876 to 1879, inclusive. In 1888 he and Harry Gilbert won the double sculls championship in a race in the harbor, defeating Cameron, double sculls champion of America, and Walter Brown, of Carleton.

As an amateur rider, Mr. Clinch took part in steeplechase, hurdle and flat races the number of 46, of which he won 22. He took part in meets at New York, Boston, Montreal, Halifax, and other cities.

He also participated in several amateur boxing meets in Halifax, and always took a keen interest in the sport being chairman, for several years of the Civic Boxing Commission. His services have been in demand as a judge at various horse shows.

The new secretary, J. Cecil Mitchell, who will succeed Mr. Clinch as secretary of the board, commenced his insurance career in 1887 in the office of the late William M. Jarvis. Mr. Mitchell remained with this firm until May 1, 1920, at which time the Liverpool and London and Globe Company opened a Maritime Branch and appointed Mr. Mitchell to the position of manager.

Mr. Mitchell has been honored on previous occasions by his business associates, as was president of the N. B. Board of Fire Underwriters for the years 1892 and 1898.

To Entertain Visitors

The New Brunswick Board of Fire Underwriters will entertain at dinner this evening at the Riverside Golf and Country Club five representatives of the Canadian Fire Underwriters' Association who are expected to arrive in the city today.

Among those coming are Louis Laing, president of the Canadian Fire Underwriters' Association, and manager at Montreal for the Liverpool and London and Globe Company; W. E. Baldwin, manager at Montreal of the Continental and Fidelity Phenix Company, and John A. Robertson, Toronto, permanent chairman of the C. F. U. A.

The occasion will also mark the formal severance of Peter Clinch from the N. B. Board, following his retirement from the position of secretary.

A bit of dry mustard will improve the flavor of mayonnaise and French salad dressing.

Committee Named To Arrange For Harbor Elimination Races

A meeting of the members of the Saint John Rowing Club was held last night in the Victoria Hotel. It was thought that as the local scullers were training faithfully with the anticipation they should be given some encouragement, not only by the Rowing Club but by the lovers of sport in the city. The matter of elimination races on the harbor was talked over and a committee was chosen to make arrangements for them with the idea that the winners be chosen to compete in future championship regattas. Nothing definite was decided on, but some action will be taken at a meeting to be called by President J. C. Chealey.
