FREDERICTON CELEBRATES

Crowds Cheer as Returns Showing Defeat of Government Arrive

Heavy Vote Against Administration Comes as Surprise to Party.

FREDERICTON, Aug. 10.—Supporters of the Opposition celebrated the overturn in New Brunswick politics in great style tonight. The earliest returns indicated that the Opposition candidates were running ahead and not long afterwards it became clear that the Government was overturned. The bulletins were watched closely, and it was evident at once that the sympathies of the crowd were with the Opposition. As announcement after announcement was made enthusiasm increased.

The heavy tide of votes against the Government came as a stunning blow to its supporters, no one having anticipated it.

YORK AS IT WAS.

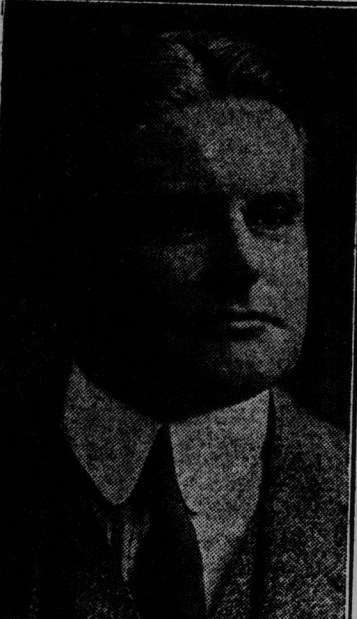

The best showing made by the Government party in this section was in No. 2 division of Fredericton where J. J. F. Winslow, K.C., was defeated by only ten votes. A heavy personal vote was given him there. C. D. Richards, Conservative, carried the other three divisions of the riding by large majorities.

In York, the province-wide Conservative sweep was as pronounced as anywhere, and the constituency stayed in the Conservative column, where it had been since 1896.

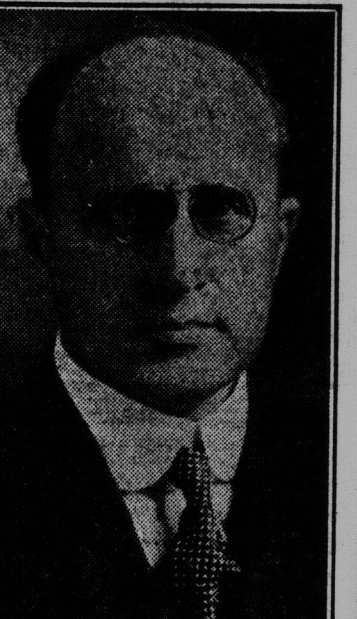

SUNBURY CHANGES.

In Sunbury there was a change, the county swinging into the Conservative column after having been Liberal since 1917. This was the line with forecasts which had been made on both sides for some time. The Opposition committee rooms in Queen street were thronged until a late hour and the street was filled. At about 9 o'clock a band was ordered out and played to celebrate the great victory. C. D. Richards, late house leader of the Conservatives, addressed the crowd from the top of a car in front of the post office and was cheered again and again.

REILLY GETS A BIG OVATION

Is Carried Through Streets of Moncton on Shoulders of Crowd.

MONCTON, Aug. 10.—With thousands of people watching election returns, Main street was a scene of great animation tonight.

Soon after the results were announced showing the election of E. A. Reilly, the Opposition candidate in Moncton, and the defeat of the Government, a huge crowd gathered to celebrate.

The Citizens, L'Assomption and Firemen's bands were engaged. From the Opposition rooms on Main street a huge throng moved up Main street. Mr. Reilly was raised on the shoulders

of a crowd of enthusiastic supporters and carried to the Brunswick Hotel.

GIVE ADDRESS.

From the balcony of the hotel with Ald. Ambrose Wheeler acting as chairman, addresses were given by Mr. Reilly, Lewis Smith, one of the successful Opposition candidates in Albert, and George Price, of Moncton, one of the Opposition workers in Moncton. The speakers were given an ovation. They spoke appreciatively of the support given by the electors to the Opposition.

BAXTER EULOGIZED.

Several speeches were given and Messrs. Reilly and Smith were again received with great cheering. Ald. Wheeler presided. Speeches were given by A. F. Landry, W. E. McMonagle, Mrs. O. B. Price, Lewis Smith, W. N. Goodwin, E. A. Reilly and Dr. O. B. Price. Messrs. Reilly and Smith were accorded a great reception. Eulogistic references to the leadership of Hon. J. B. M.
