BOARD OF HEALTH HAS NICE OUTING

Enjoy Motor Trip to St. Martins and Dinner at Loch Lomond.

The members of the Sub-district Board of Health combined pleasure and duty in a very agreeable fashion yesterday when they were the guests of John Kelly, chairman of the board, and had their annual outing at St. Martins. The party drove out to St. Martins by automobile and had dinner at the Avon House, carried out an inspection of slaughter houses and other premises, and interviewed certain individuals and afterwards made an inspection of the lighthouse at Quaco.

Mr. Kelly is inspector of lighthouses and was able to conduct the party through that very interesting establishment and explain the details of its management. The party motored back to the city, stopping to have supper at Johnstone's Hotel, Loch Lomond. On the return journey some inspections of different locations were made and the board gave special attention to the surroundings of Loch Lomond. After supper a short business session of the board was held and certain routine matters disposed of.

Those who went on the trip were Mrs. Richard Hooper and Miss J. Lawlor; two guests, Miss K. Lawlor and Miss Kelly, Dr. William Warwick, Dr. E. Stanley Bridges, Dr. T. Fred Johnston, S. S. McConnell, Mr. McDonald, who kindly loaned his automobile; Commissioner R. W. Wigmore and T. M. Burns, secretary.

RAILWAY EMPLOYEES TO LEARN FIRST AID

The first first aid class for the local employees of the Canadian National Railways will be begun in the conductors' room at the Union depot next Thursday afternoon between 2 and 3 o'clock, railway time.

Arthur T. Woolley, general organizer, first aid, Atlantic region of the C. N. R., was in the city yesterday afternoon making the preliminary arrangements for the opening of the class. Two classes would be formed, he said, the first among the employees of the depot and the police, and the second among the yard and train crews. Each class would number 30 members, and as more applied for membership more classes would be organized.

TO HAVE BIRTHDAY PARTY.

If the weather is kind there is to be a birthday party for one of the children on the beach for the children at the Lady Byng summer camp for undernourished children at Fair Vale today. The anniversary is to be suitably observed with a birthday cake as an important adjunct to the festivities. Miss McNeil said yesterday that several recent cash donations had

helped the camp fund appreciably, but there was still \$600 required to carry through till the end of the season. She spoke enthusiastically of the thriving condition of the children and of their delight in their surroundings and in camp life. Besides the gifts of money some gifts of provisions were presented for the camp and among these was a tub of butter, which is probably about as acceptable a gift as could be found.

UP-RIVER PRODUCE ARRIVES.

Strawberries were still a considerable portion of the cargoes of the river steamers that came down yesterday. The quality of the fruit varied greatly and prices accordingly. From 5 to 9 cents was being offered for strawberries at the wharf. New potatoes sold for \$2 a bushel and were exceptionally

large for this time of year. Beans brought \$2 and peas \$1.25 a bushel. Blueberries sold for 15 cents a box and raspberries for 25 cents. The Premier brought a large cargo consisting of about 100 bushels of potatoes, 40 to 50 crates of strawberries, good quantities of peas, beans, cabbage, a few cauliflower, carrots, raspberries and blueberries. The D. J. Purdy's cargo con-

sisted of cabbage, hay, strawberries and about 30 bushels of potatoes. A dozen cabbage brought \$1 at the wharf.

WHEEL FALLS OFF.

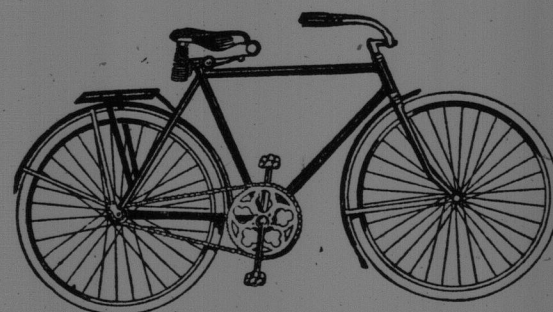

At the corner of Prince Edward and Union streets yesterday afternoon about 5.15 o'clock, a front wheel of automobile No. 3,226, proceeding up

Prince Edward towards Union, fell off with the result that this car made a sudden turn and collided with automobile No. 16,073. Broken fenders and bumpers on both cars were the result of the collision.

The whole of the brain never works at one time. It operates alternately in halves.
