No doubt thousands will turn out to root for Hilton Belyca when he rows Jerry J. Shea, the fast Boston sculler. Shea left last night for St. John and will arrive in the city today. He is a very good man and for several years has been rowing in fast company. He won the New England championships on July 4, but was beaten in the National Regatta at Worcester on Labor Day by C. Faulkner.

LAWN PARTY

A lawn party held on the grounds of the Church of the Good Shepherd in Fairville last night was a great success. A fine display of home cooking was for sale, beside which there were a well stocked country store, ice cream, fruit and confectionery, books, men's and ladies' bean toss and a rifle range. The fair will be continued tonight and tomorrow night. Tonight the Martello Band will play. A large number were in attendance last night and all enjoyed themselves to the full.

Friday and Saturday

It is a melancholy fact that the mortal remains of the dear little actress who plays the stellar role in today's pretty picture are now en route from Paris to America for burial. Miss Thomas' death has been declared due to accidental poisoning. She was the wife of Jack Pickford and sister-in-law of Mary.

Constant Headaches

EVERY headache has a meaning—and you should heed this warning of nature, if you would avoid more serious complaints. A headache frequently points to the failure of the kidneys to perform their natural functions.

Gin Pills remove both headaches and cause, by restoring the kidney action to normal. If you let the cause go unchecked, you may incur years of suffering, with frequent attacks of backache, bladder trouble, lumbago, swollen joints, and other evidences of deranged kidneys.

Give Gin Pills a trial. At all druggists—50c a box. Write for a free sample to National Drug & Chemical Co. of Canada, Limited, Toronto, Ont. U. S. residents should address Na-Dru-Co., Inc., 202 Main St., Buffalo, N.Y.

Some of the Chinese fruits, cunningly coaxed and lovely charished through many centuries, are said by experts to be delicious.
