A PLEASANT OUTING

The lady employees of the office staff of T. McAvity & Sons, Ltd., King street, were very pleasantly entertained by Miss Mabel Rogers at her summer home, Ononette on Saturday afternoon. Dancing, swimming and kinds of good times were indulged in, the girls returning to the city on the evening train after a very delightful outing.

OBJECTS TO CASH PRIZES

A citizen who has contributed money to promote interest in the swimming races at the Kennedy street swimming scow, spoke this morning about the matter of giving cash prizes to the boys for these events. He said that this was unfair to the boys themselves as it would breed the from competition in amateur sport in the future. He said he was not aware that donations were to be used as cash prizes, but was in favor of having more lasting trophies awarded for excellence in this line of sport.

REPORTS CONFLICTING

A report reached the city that the steamer Francis Boutlier, which plies between St. John and St. Mary's Bay ports, ran aground at Gulliver's Cove, N. S., during a dense fog. It is said she refloated in four hours, but reports as to her conditions are conflicting, some being that she was filled with water and quite badly damaged and another that she was not damaged and proceeded to her destination. The Francis Boutlier is owned by A. Boutlier & Company of Centerville, Digby county, N. S., and is a new vessel.

TWO NOTABLE SPEAKERS

Secretary Romans of the Canadian Club has received a letter from Gilbert Grosvenor, director and editor of the National Geographic Society, Washington, accepting an invitation to address the club the last week in September. He will spend August in western Canada and September in Cape Breton. Mr. Romans has been endeavoring for three years to get Mr. Grosvenor to address the club and has at last succeeded. J. C. Wilder, chief sea scout of the United States, who was here with Baden-Powell, will address the club early in September.

NOVELTY SHOWER

On Monday evening friends of Miss Ruby K. Irvine gathered at the home of Mrs. Robert D. Campbell, Fairville, and tendered her a novelty shower. Many useful gifts were received, including cut glass, china and linen. The house was prettily decorated for the occasion with wild flowers and ferns. Streamers of yellow and white paper were hung from the chandeliers and the room presented a very artistic appearance. Following a programme of music and games a very dainty luncheon was served, including a "Blighton Sundae." Miss Irvine will be one of the principals in an interesting event in the near future.

INDICTMENT IN HAYES CASE IS QUASHED

Mr. Mullin's Objection to Course Pursued Sustained—Charge was Assaulting Sheriff

The Circuit Court, Mr. Justice Crockett presiding, opened its adjourned session this morning at ten o'clock. The case of the King against John Hayes was taken up. Dr. W. B. Wallace, K.C., appeared for the Crown. An indictment was preferred against the prisoner for assaulting the High Sheriff when in the execution of his duties on June 6, 1919. There were eleven out of the twelve grand jurors in attendance and a true bill against the prisoner was brought in. The prisoner was brought into court, but before he was arraigned, his counsel, Daniel Mullin, K.C., moved to quash the indictment on the following grounds:

First, that the sheriff being disqualified as he was the prosecutor, the court ordered that Coroner Kenney summon the grand and petty jury, and the coroner obtained the assistance of the deputy sheriff in selecting and summoning the grand and petty jury.

Second, that he also availed himself of the sheriff's staff of constables to serve the summons on the grand jurors. Mr. Mullin contended that under section 89 of the criminal code, he was entitled to have the constables quashed. On these objections and also, he said, because of the course adopted by the coroner, prejudice was or might have been occasioned to the prisoner.

After hearing Dr. Wallace, contra, for the crown, His Honor said that he would allow Mr. Mullin to substantiate his objections. Armstrong B. Clifford, deputy sheriff, was then called and by his evidence it appeared that the coroner obtained the official list of jurors from the sheriff and handed them to him, who prepared the list of grand jurors and petty jurors from the official list of jurors. He said the coroner was there part of the time, but would not say that he was there all the time.

In view of this, His Honor held that he must quash the indictment and he ordered the prisoner to be remanded till this afternoon at 2.30, to allow Dr. Wallace, the counsel for the crown, to consider what course he would pursue.

Those summoned as grand jurors are: Richard Arscott, Daniel Allan, Frank G. Bent, Michael L. Bolen, Harold Climo, Angus A. Chaisson, Alexander I. Flower, C. Percy Humphrey (foreman), Herbert C. Harrison, R. Keltie Jones (absent), H. E. Lemmon and D. W. Leddingham.

PLANNED VISIT TO ST. JOHN THIS WEEK; TAKES ILL IN PORTLAND AND DIES

Mrs. Sarah A. Fowler, wife of the late Rev. Leharon W. Fowler, who some thirty years ago was pastor of St. George's church in Carleton, died on last Saturday in Portland, Me., from heart trouble. She was visiting with her daughters and was planning on coming to St. John this week. She was a native of this city and was a woman of kindly disposition and was beloved by all who knew her. The news of her death will be heard with regret by a wide circle of friends.

SAYS SHE GAVE HIM CHECK FOR \$400; SHE TO GET HIS INSURANCE

Police Court Case Arises Out of This Transaction—Several Matters Before Magistrate

In the police court today George Russanoff was charged with getting money under false pretences. Rosa Maggled, from whom the money was said to have been obtained, gave evidence that the defendant came to her and asked her for a check for \$400, saying that she would get insurance at his death as security. She said he then went to the Bank of Nova Scotia and got her money, and that, she said, was the false pretence. In return for this check she said the defendant gave her a promissory note which was produced in court, promising that after his death she would be paid his insurance, which amounted to \$500.

The case was postponed until tomorrow morning at ten o'clock. M. B. Innes appeared for the defendant.

A case against Raymond Simonda, charged with supplying liquor to Edward Rocchini, was resumed. The defendant denied the matter.

In the police court this morning a man charged with drunkenness, admitted that he had been drinking liquor given to him by some friends who were going to the States, and that he had consumed the liquor on the wharf. He was fined \$9 or two months in jail for the drunkenness and \$60 for six months in jail for drinking in public. Another man was picked out of an automobile in an alleyway drunk at 6.10 o'clock this morning. Policeman Saunders arrested him. The man was remanded until his condition improved.

Another was charged with being drunk at the corner of Pitt street and Elliott row. He pleaded not guilty. Policeman McElhinney gave evidence that the man was intoxicated. The accused then pleaded guilty, and said he got a bottle of lemon extract from a grocery store in Brussels street and paid seventy-five cents for it. He was fined \$8 or two months in jail.

Paul Ranton was charged with assaulting Harold Guilfoyle in 99 Hilyard street last Saturday morning. The complainant said that the defendant called for his rent and called him names, when he was refused to pay. The defendant denied the complaint. The case was postponed until tomorrow morning.

In a case against Edgar Beersham, charged with stealing of goods from the store of W. H. Thorne & Company, Ltd., an application for bail was made. An endorsement is to be made on the depositions, and the application will be made before Chief Justice Haslam. E. S. Ritchie appeared for the defendant.

Tony Mavarkos, charged recently with interfering with the police and inciting resistance at the time Policemen Keirstead was assaulted, was given a further hearing. E. S. Ritchie, counsel for the accused, made application for bail and said that from information he thought the accused was not altogether implicated. A deposit of \$80 was accepted for his appearance.

Henry Gibson was in court because of a bit of trouble at home in which some hot water was spilled, scalding herself and son somewhat. The defendant was given a good name. The matter was believed accidental and he was allowed to leave court.

HAWTHORNE AVENUE WORK IS TO BE DONE

Bond Issues for This and at East St. John — A Stanley Ward Assessment Matter

It was decided at a meeting of the common council today to go ahead with the extension of the water and sewerage system from Park street to the ice house in Hawthorne avenue at an estimated cost of \$14,000, the work to be paid for by bond issue. A resolution authorizing the issuing of bonds to the extent of \$10,500 for the extension of the water system from the vicinity of the Municipal Home to the dry dock site at Courtenay Bay was also passed. Although the work has already been commenced on the latter extension, the authority for bond issue could not be given on account of the absence of Commissioner Bullock. The mayor presided and all the commissioners and the city engineer were present.

The council went into committee to discuss the Hawthorne avenue extension and heard E. M. Olive, chairman of the board of assessors. He said the total assessed value of property in this street was \$48,450, but this value would be greatly increased by the water and sewerage extension. In reply to Commissioner Bullock, he said there were some lots on which there were no buildings. Commissioner Bullock said that he would look into the matter as the housing commission might find an opportunity of carrying out part of the scheme there, provided the council decided to provide water and sewerage.

After the committee arose and met in council, Commissioner Jones put the motion authorizing the extension and it was carried unanimously.

It was brought to the attention of the council that property in Stanley Ward was being assessed on one-half valuation under one of the old terms of the union of Portland with St. John. The mayor suggested that this be looked into and that those sections of the ward which were receiving the same privileges as other parts of the city be assessed in the same way.

The commissioner of public works was given the authority to purchase a car load of cement for the work on retaining walls recommended at yesterday's committee meeting and which were passed at this morning's council meeting. The public works department was also authorized to pool the unexpended balances of the various items of street appropriations for the present year, the fund to be used for such part of the street department services as may in the opinion of the department require the outlay.

Commissioner Bullock called the attention of the commissioner of public works to a discrepancy in the grantee paving in Nelson street.

The board of conciliation appointed to consider the negotiations and by-laws of the Policemen's Protective Association submitted a report but this was laid over until the next committee meeting.
