There was an impromptu get-together of the Big Brotherhood, which consists of members from the Rotary Club of the city and the local council No. 987 Knights of Columbus, last evening in Bond's restaurant, when the Big Brothers and their "adopted" Little Brothers sat down side by side to luncheon. MARCH TO VICTORY

Courage is a matter of the blood. Without good red blood a man has a weak heart and poor nerves.

In the spring is 'the 'best time, to take stook of one's condition. If the blood is thin and watery, face pale or pimply, generally weak, tired and listless, one should take a spring tonic. One that will, do the spring house-cleaning, an old-fashioned herbal remedy that was used by everybody nearly 50 years ago, is still safe and sane because it contains, no alcohol or oracotic. It is made up of Blood roto, Golden Seal root, Oregon Grape root, Golden Seal root, Oregon Grape root, Gueen's root, Stone root, Black Cherry bark—extracted with glycerine and made into liquid or tablets. This blood tonic was first put out by Drierce in ready-to-use form and since then has been sold by million bottles as Dr. Pierce's Golden Medical Discovery for a number of years and am pleased to recommend it as a blood purifier. I know it has no equal, as I used it for my boy, my neighbors and friends were surprised with the results; if we deal, had it not been for the 'Medical Discovery'. I also keep in on the medicines, instead of upsetting the stome, and of coughs as it differs so from other medicines, instead of upsetting the stome, and the mand for coughs as it differs so from other medicines, instead of upsetting the stome, about Dr. Pierce's medicines instead of the cought of the cought

I take pleasure in advising you that the relief I have obtained from the use of Nujol is far more than what is ordinarily termed

For years before sending you my order for a trial bottle of Nujol I habitually used destructive "pink pills" due to the fact that through lack of proper exercise I was continually constipated and a sufferer from other ailments known to result only from irregular bowel-action. I have taken three bottles of Nujol, and ever since I finished the first bottle my bowel action has been as regular as the rising sun, and my general physical condition is now as good as can be wished for.

In my opinion Nujol is a scientific cure for constipation and its countless other resultant ailments. I earnestly recommend it. Springfield, Ill., January 5, 1917. (Name on application.)

Don't dread constipation; but don't neglect it. It's the poisonous root of scores of serious ailments. Do exactly what this man did: bring back regular bowel-habits with Nujol. Nujol gives you the quick relief you want without the least griping or reaction. Thousands know it is the safest remedy, for the body cannot absorb it. Quit using harmful pills and salts. Nujol makes you "regular as clockwork." Start using it to-day.
