This is to advise you that I will be a candidate for Commissioner of the City of Saint John at the election to be held April 8th,

You know, as well as I do, that expenses for all civic departments seem to be out of proportion to value received, and it is my purpose, if elected, to do all in my power to eliminate all unnecessary expenditures.

I also promise to stand by the labor men to the end, that they shall get a square deal for services performed.

The high cost of living is a most serious question in this city, and I purpose, if elected, to use every effort that proper justice be meted out to all profiteers.
