Letter from the Fishery Overscer.

To the Editor of the Standard. MINISTER'S ISLAND,

March 9, 1874. Dear Sir .- In your last issue, you have made error in the statement I gave you of the Fishing business in the inner Bay of Passamaquoddy, 1878 The forty-five vessels were Provincial, not U. S., owned ouslands of my district; and the large fleet in the Bay this winter belong to the Dominion not the United States except a few: The fishermen frequenting this Bay have great

er difficulties to contend with, than elsewhere, for this reason; a smart breeze creates a short ugly f om shore, it is dangerous work to take them up except in moderate weather. The past week nets set on Monday had to re-

nain until Saturday, most of them sunk to the ottom with the weight of herring, and some were lost. The fishermen have not violatest the law this season except in a few cases, and I have for ubstantial reasons excused them. Some have set in the Sabbath in U S. waters, but they were rincipally Americans.

The Overseer is justified in exercising a certain or should he be too arbitary in the performance of it, the fishermen would soon be driven out of

The law wisely provides the fish a free pass two nights in the week, this I am determined as far as think that moral sussion will have more effect in ausing them to respect the law, rather than harassing them with fines and penalti-s.

noney flowing into the pockets of our fishermen this season. There have been eight U. S. schoon ers buying cargo's of frozen herring, for which your enterpising townsman, Mr. Henry O'Neil, Goods remaining in Store
