brains and other parts, in a morbid condition, may cause Jaundice, Consumption, Insanity, etc., and withholding the natural stimulus to the intestines, causes Dyspepsia, Piles, and other complaints, as you perceive, the direct way to unravel and tear the whole system into pieces.

A patient suffering from this complaint should resort to speedy relief. Yet, there are very few medicines worth

a cent in curing diseases. What shall be done? We say, use Dr. Morse's Indian Root Pills, as they are composed of plants and roots; they will be found a sure cure for this painful disease, because they purge from the body these corrupt and stagnant humors, and so cleanse and renew the blood, which is the cause not only of the disease of the liver and inflammation of the kidneys and the bladder, but of every description of disease. From four to five of these pills taken every night on going to bed will, in a few days entirely relieve the body of everything that is opposed to health.

WOULD NOT BE WITHOUT THEM.
