become Chinese; the other, even at this late day, to gradually counteract the evil, brought on us by the careless indifference of the local government and the warm of shavings, leaving a board of just one inch of the local government and the want of in thickness, the natural conclusion is DOUBLE IODIDES.

Of the local government, by an organized system of immigration of victims of mistaken zeal. But a protection Space forbids the giving white labor from Europe under Dominion victims of mistaken zeal. But a protective tariff leads to so many disreputable auspices, backed by a law forbidding Chinese immigration. In this way Chinese ment employes that it is not safe to aslabor, even on the railway, might be gradually supplanted; and Canada might thus not have to be paid. Pine lumber is sume that this tax on refuse shavings will discharge the enormous obligation she is already so scarce in the United States under to the province for railway delays.

It has often been urged against the ChiAmerican dealers to pay tax considerably others?

T. C. STRATTON, Esq.

Montreal, Feb. 1st, 1877.
I cannot but regard the formula from which Dr.
Chaming's Sarsaparilla is prepared, as one of the best possible combinations to constitute an effectual remedy, for the cure of Blood Impurities. So far as my experience leads method that they return their hold by an endless succession still more effectually. The only remedy is prohibition, and by the means suggested this can still be carried out without prejudice to the content of the railway. As regards the employment of Chinese in our midst it is largely a personal matter. If we employ them they will work for us; if we wish a reliable preparation for general use as a blood purities. So a reliable preparation for general use as a local paralle, and several to it, combining as it does, all the imputed virtues of Sarsaparilla, and several to the combining as it does, all the imputed virtues of Sarsaparilla, and several to the combining as it does, all the imputed virtues of Sarsaparilla, and several to the combining as it does, all the imputed virtues of Sarsaparilla, and several to the combining as it does, all the imputed virtues of the duty.

The Head and Stomach.

When the duty was paid by the exporter when the duty was paid by the exporter when the duty was paid by the exporter has already gone by, and Canadian officials will not be compelled to wait many years before they will be at liberty to add to the American tariff of two dollars per thousand an export duty of equal amount. By preventing the rapid denudation of Canadian forests, during the time when the duty was paid by the exporter has already gone by, and Canadian officials will not be compelled to wait many years before they will be at liberty to add to the American tariff of two dollars per thousand an export duty of equal amount. By preventing the rapid denudation of Canadian lumbermen, and millions more will follow unless there is a speedy repeal of the duty.
