principals in the event and relatives of the
families, togother with the Rector of the
families, togother wit Capt. Fester, from Bathurst to Charlottebundle of shingles to the sailor, but owing o'clock by a large party and had the usual captain then brought the vessel to and ordered the boats out, but when they reached the spet the sailor was nowhere to be seen. He was a good swimmer but evidently was unable to keep sfloat as he had on three big coats and wore a pair of heavy sea boots. The man leaves a wife and six small

Man Lost Overboard. On Monday night about 11 o'clock, the barque Corons, Capt. Brown, was making port and was several miles off Point Escuminac, when one of the seamen, named Carrigan, fell overboard. The ship was kept as near to the place where the accident happened as possible and a boat lowered and manned by six men who went away hoping to pick the poor fellow up. The men and boat were lost sight of by those on the Corona and after several hours had passed and the men did not return although flash lights were barned by the captain to guide the w, he feared that they too were lost. It was therefore a great relief for him and his remaining . nea to learn on arrival at quaranhad made Point Escuminac six hours after

although he had been laid up with the requirements of their customers. malaria coming out, he jumped into the boat hatless and coatless and formed one of the crew that went searching for the man overboard. The poor young fellow suffered a good deal from the cold before reaching shelter at Point Escuminac.
