A FAITHLESS GOVERNOR.

(Cincinnati Tribune.)
Gov.-Elect Bailey of Kansas, is a faithless and a forsworn man. The sooner he takes to the woods, and retires from politics and calls for the everlasting prairies of Kansas to rise up and hit him good and hard the better it will be for his peace of mind.
Bachelor that he was, and is, his chiefest difficulty in making the running was his single state and the fact that bright eyes had looked on him in vain, gentle bosoms had done the heaving act when he was nigh, and tender hearts had fluttered when the handsome Kansan singled out their owners for a glance. But all in vain, and the maids and matrons of Kansas took counsel of themselves and deeply swore that should Bailey be, unless he gave hostages to duty in the shape of a solemn oath to matrimonialize upon his election.
He gave the oath, but only to shatter it when the certificate of election was made out and duly delivered to him. He now declares that he has hunted the prairies of the Sunflower state in the search for a modest and gentle Kansan violet, willing to share executive honors with him and to regulate the machinery and the possession of

the night key, but that he has been repulsed in all directions.
Bailey is a man forsworn and faithless, a withering stalk upon the body politic and domestic. It is up to the maids and matrons of Kansas to make his administration a howling failure and a sign of their withering condemnation.

FIGHTING SMALLPOX.

Smallpox conditions are serious about Rogersville. The disease broke out several weeks ago and was not diagnosed as smallpox for some time afterward. Meanwhile many people had been exposed. Three doctors are now grappling with the situation. About fifty houses have been quarantined and the inmates vaccinated.

PLUNGED TO THE BOTTOM.

Steamer Founders in Lake Erie Carrying Crew Down With Her.

DETROIT, M., Nov. 23.—A furious southwest gale on Lake Erie Sunday night the steamer Sylvanus, J. Macy sprang leak off Port Burwell, Ont., and plunged to the bottom, probably carrying her entire crew with her. The barge Mabel Wilson, which was being towed by the Macy, broke away from the steamer in the darkness and succeeded in sailing up the lake to Amherstburg, where she arrived this afternoon.
The Macy, with the Wilson in tow, left Buffalo last Saturday with a cargo of coal. When last seen by the crew of the Wilson the Macy was laboring heavily in the sea, and was evidently making for shore. That nothing has been heard of them has convinced the owners that all are lost.
The Macy was owned by F. J. Ralph & Co. of Detroit, and was insured for \$16,000. She is one of the oldest types of wooden ships and registered 750 tons. A correct list of the crew is not available.

PLUNGED TO THE RESCUE.

Nine Year Old Hero Tries in Vain to Save Two Drowning Companions.

DULUTH, Minn., Nov. 23.—Eddie Anderson and Joseph Stevenson, each 11 years old, were drowned by breaking through the ice on the bay while skating. Albert Glen, a nine-year-old companion, heroically plunged into the water in an endeavor to save them, but became exhausted and was himself rescued with difficulty.

TWO NATIONS GIVE THANKS.

LONDON, Nov. 27.—Nearly 500 American citizens and a sprinkling of distinguished Englishmen and women participated in the annual Thanksgiving dinner held at the Cecil Hotel, under the auspices of the American Society in London. The company included Ambassador Choate and Mrs. Choate. All the members of the embassy staff now here, Robert McCormick, American ambassador to Russia; Consul General Evans, the Right Hon. H. H. Asquith, Lord Reay, Lord Fairfax, (the American peer); Field Marshall Roberts and Sir Henry Norman. The speeches were numerous and abounded in good feeling and reciprocal compliments. Toasts in honor of King Edward and of President Roosevelt were drunk with equal enthusiasm.

STABBED BY HER SON.

GREAT BARRINGTON, Mass., Nov. 27.—Mrs. Ellen Brown, who was stabbed, pounded and kicked by her son Joseph yesterday, is in a critical condition tonight. While it is known that the son who had been away from home for three years showed signs of intoxication, many acquaintances of the family say that he is mentally deranged. The son remains in the lockup, sullen in his disposition, and apparently indifferent to his position. He will be arraigned tomorrow, but the case probably will be continued to await the result of Mrs. Brown's injuries.

DALEY BROKE JAIL.

LOCKPORT, N. Y., Nov. 23.—John Daley, who is well known to the police in many cities of the country, escaped from the county jail last night. Daley had been a well behaved prisoner and enjoyed the freedom of the corridors. Some time during the night he sawed a bar out of the corner window on the second floor of the jail and sliding down a rope made from a blanket, escaped. Daley was serving a six months' term for forgery committed at Niagara Falls.

KILLED BY STREET CAR.

PHILADELPHIA, Nov. 23.—One boy was instantly killed and a score of persons were injured today at Hatfield, about 27 miles north of here, by the overturning of a car of the Philadelphia and Lehigh Traction Co., while rounding a curve. The brake failed to work, and the turn was made so swiftly that the body of the car was snapped from the trucks and fell on its side. Three persons were seriously injured, and one of them may die.

UNDER SEALED ORDERS.

PROBATE COURT.

In the St. John probate court today letters of administration of the estate of the late Edward T. Wetmore of the parish of Lancaster, St. John, were granted to his widow, Clara E. Wetmore. The estate consists of \$1,500 personal property. H. F. Puddington, executor.
A petition was recently presented by W. A. Ewing for the probate of the will of the late Jane Caroline Leavitt. As the will was executed in Liverpool, Eng., and the witnesses to it reside there, a commission was issued to take their evidence. The estate consists of \$750 personal, and \$2,196.75 real property, all in the province of New Brunswick.

TROUBLE IN GRIT RANKS.

Editor Toronto Globe Resigns—May Conclude Independent Conservative Paper.

(Special to the Star.)
TORONTO, Nov. 23.—The world today announces that J. S. Willison, Editor of the Globe, has resigned, and that his resignation will take effect next week.
The world adds that it is understood that Mr. Willison, in his letter tendering his resignation, which was sent to President Jaffray yesterday, used strong language concerning some past, present or contemplated action of the board of directors. The paper says further that negotiations are said to be on foot to gain control of another paper in Toronto and to place Mr. Willison in control. The policy of paper would be independently conservative.

SHOULD BE HAPPY.

A Nice Pair Got Married Last Week.

NEW YORK, Nov. 23.—Florence Burns, the young Brooklyn woman who was accused and subsequently exonerated of the murder of her sweetheart, Walter Brooks, in a hotel in this city some months ago, was married last week to Charles W. Wildrick. The marriage was kept secret until today. Wildrick is a son of Lieut. Col. Abram C. Wildrick, U. S. A., who died in 1894. He was arrested last April, charged with having passed a bad check at the Hotel Gerard, where he had been accompanied by Mabel Strong, a wealthy young woman of Cleveland, Ohio.

Miss Strong's father came on from Cleveland to look after her, but she would not leave here while Wildrick was in prison, and she was removed to St. Luke's hospital, where she died shortly after of quick consumption.

WAR THREATENED.

Preparations Made for Another Rebellion in Hayti.

PORT AU PRINCE, Hayti, Nov. 23.—General Alexis Nord, who was war minister of the provincial government, and who is at St. Marie with about 800 to 1,000 men from Gonaives, has sent an ultimatum to the government here demanding the invalidation of the election of deputies who are members of the party headed by M. Firmin, the self-exiled leader of the recent rebellion. If the chamber refuses to cancel the elections another civil war is probable.

The general opinion is that the chamber will reject the general's demand. Preparations are being made to defend Port au Prince in view of the possibility that General Nord will attack it.

BETTER THAN EXPECTED.

Pacific Cable Working Well—100 Words a Minute.

(Special to the Star.)
OTTAWA, Nov. 23.—A. R. Dearlove, English expert engineer, who was associated with the construction of the Pacific cable, is in the city on his way back to England. He states that the working speed of one hundred letters per minute has been attained in transmission on the Pacific cable. This is, relatively speaking, very fast and from ten to fifteen per cent. better than was expected. The cable is in first class shape and he is well satisfied with it. It will be open for service messages on December 8. Dearlove expresses the belief that it will be many years before the wireless system interferes to any extent with commercial cable work.

WON'T GET MEDALS.

Chamberlain Says Members of Four Last Regiments Sent Out Will Not Receive Them.

OTTAWA, Nov. 23.—A despatch from Lieut. Hon. Joseph Chamberlain to the governor-general makes it clear that the third, fourth, fifth and sixth regiments of Canadian Mounted Rifles will not receive their medals with gratuity. The despatch reads as follows:
"My Lord, I have the honor to acknowledge the receipt of your despatch of the 22nd August, transmitting a copy of an approved minute of your privy council on the subject of the bestowal of South African medals and the payment of war gratuity to the members of the third, fourth, fifth and sixth regiments Canadian Mounted Rifles. I have to acquaint you, for the information of your ministers, that I have submitted the question to the consideration of the secretary of state for war, but that he, after careful consideration with his military advisers, has decided that no relaxation can be made of the date limiting the grant of the medal or war gratuity. I have to add that this rule has been adhered to in the case of all the imperial troops landed in South Africa after the 31st of May, of the 6th, 8th, 7th and 8th Battalions of the Australian Commonwealth Horse."

Over one hundred dozen boys' and ladies' linen collars will be placed on sale to-morrow morning at 8c. each at Dykeman's.

THOSE APPOINTMENTS.

Thomas Dunning has received official notice of his appointment as cashier of the I. C. R., and has been asked to report at Moncton at once.
So far as the Star has learned Mr. Daly has not yet received notice of his appointment to the appraisership in the customs.

UNDER FALLEN HORSE.

Aged Deaf Mute Couple Injured—Lives Saved by Gentleness of Horse.

BOSTON, Nov. 27.—An aged couple, Mr. and Mrs. Thomas Evans of East Boston, were pinned under a fallen horse on one of the streets of Chelsea tonight and escaped death simply through the gentleness of the animal. The couple, who are both deaf and dumb, had been waiting on the sidewalk for a street car by which to return home. They saw the car and apparently walked directly in front of a horse attached to a buggy and driven by Mrs. Lewando Baldwin of that city. The horse fell as it struck the man and woman and pinned both to the pavement. Bystanders quickly extricated them, but as both people are over 70, their injuries and shock may prove serious.

TRAIN WRECKED.

Car Rolled Twenty-Five Feet Down Embankment—None Killed.

INDIANAPOLIS, I., Nov. 23.—The St. Louis flyer on the Big Four was wrecked early today on a high embankment, one-half mile west of Avon. Three passengers were seriously injured and a dozen or more were slightly hurt, but not fatally. The train was running at high speed and struck a broken rail. The engine and two cars left the track. The New York sleeper on the rear end rolled over twice and down the embankment of twenty-five feet, landing bottom side up. It contained only three passengers. The others remained on top of the embankment, but many of the imprisoned passengers got out only by breaking the windows. A telephone on an adjoining farm was used to call help. Surgeons were sent at once, and by five o'clock the train had been searched and all the passengers accounted for. No Canadians are mentioned in the partial list of the injured.

TRAIN KILLED TWO MEN.

Struck One and the Other Died From Shock of Seeing Accident.

NEW YORK, Nov. 23.—John McLaughlin was instantly killed by a south-bound Harlem express train on the Ninth Avenue elevated road at 72nd street today, and a witness of the accident dropped dead from shock. About thirty persons were standing on the platform of the 72nd street station when the accident occurred and among them was Emmanuel Dreyfus, a clerk at police headquarters. The sight of the sudden death affected him violently and he fell down, dying almost instantly. McLaughlin was a laborer and lived in Brooklyn.

ANOTHER BOYCOTT.

SCHENECTADY, N. Y., Nov. 23.—The latest development in the labor situation in this city is the assertion made in union circles that a meeting of the building trades council is to be held in the immediate future for the purpose of declaring a boycott against the Schenectady R. R. on its own account and independent of the trades assembly, which body has voted to end the boycott by a vote of 104 to 49, about forty delegates not voting. There will be a meeting of the citizens' committee this evening at which a permanent organization is to be perfected.

A special sale of wool blankets is now going on at F. A. Dykeman's. If the weather does not impress upon you the future need of these goods the prices at least should interest you, because you are sure to need them later on.

A FATAL THANKSGIVING.

CHICAGO, Nov. 23.—Mr. and Mrs. William McIlwain, an aged couple, have been found dead from asphyxiation at their home. A tube had become detached from a gas range. Many articles purchased in anticipation of a Thanksgiving dinner showed that asphyxiation was an accident.

A DROP TOO MUCH.

NEW YORK, Nov. 23.—Believing the shot from his revolver had killed Mrs. Julia Gerber, who refused to elope with him, Max Sukowatzky, an Austrian, leaped through the window of her apartments in East Seventy-fourth street. He fell seven stories to the sidewalk and was killed instantly. Before jumping to his death the man shot the young woman through the arm and shoulder.

ESSEN, Prussia, Nov. 23.—The late Herr Krupp's will leaves the factory to his eldest daughter Bertha, to be administered by his widow until the daughter attains her majority. Besides the \$750,000 given for the benefit of the employees, Frau Krupp, in behalf of Frauleine Bertha, has given \$250,000 to be devoted to the improvement of Essen.
