## PARIS LOOKS ON ROOSEVELT AS "THE GREAT AM"

### Correspondents Find That the Ex-President Can Do Little But Boast of His Past Achievements and Tell What a Wonderful Man He Is

NAPLES, April 6.—After spending yesterday afternoon and evening ashore in Naples where he was given an enthusiastic welcome by the natives of the city, Theodore Roosevelt began the second stage of his journey to the East African protectorate and Uganda shortly after midnight last night on board the steamer Admiral. He is due at Mombasa April 21st.

PARIS, April 6.—The French press is displaying great interest and curiosity in Theodore Roosevelt. Many of the French correspondents sent to Naples to chronicle his impressions of Mr. Roosevelt say that the former President of the United States is absorbed in himself. They dislike his cabinet filled with his own books and littered with photos of himself and the members of his family. Mr. Roosevelt talked freely but petulantly about himself and his work, the correspondents say, and he manifested a disposition to "preach." In his conversation he touched upon his knickerbocker ancestry and his experiences as a ranchman in the far west.

"Turning to politics he said he had been elected to the Presidency as a representative of honesty against the power of gold.

"I have always maintained that poverty in private life is indecent to private life."

Mr. Roosevelt is quoted as saying: "I have fought the old kings and the street emperors. They tried to break my back but my back is still intact. The truth is they showed less resistance than I expected. The feudal barons of modern finance have less energy than the feudal lords of ancient Europe."

Continuing Mr. Roosevelt referred to young America against Japan.

"By preparing for war," the former President is quoted as having said: "I was able to curb the impetuosity of young America against Japan."

## MCGASKILL MATTER TO COME UP AGAIN

### It is on the Docket for Presbytery Today

Important Business Done at This Morning's Session—Change in System of Choosing Delegates.

The regular quarterly meeting of the presbytery of St. John was held in St. Andrew's church today, commencing at ten o'clock this morning.

The moderator, Rev. A. B. Dickie, presided and there were present Rev. Messrs. G. D. Ireland, C. G. Townsend, M. J. McPherson, H. R. Reed, L. A. McLean, W. P. Moore, R. A. McDonald, F. W. Mundy, W. V. Rennie, G. Pringle, A. S. McKay, L. B. Gibson, J. H. A. Anderson, G. Dickie, H. Boyd, D. Clark, J. Ross, J. J. McCaskill, A. A. Graham, D. Lang and P. Babal, clerk, and Elders W. J. Parke, A. T. Stewart and S. H. McFarlane.

After the opening exercises a report on the finances of the presbytery was submitted by Elder P. Campbell and Rev. L. A. McLean. The report showed that the financial depression has affected the churches and certain of the poorer congregations have been somewhat discouraged by it.

Rev. J. J. McCaskill reported on the Sabbath schools.

The clerk presented a report on the new list of standing orders which have been in course of preparation for some time. The report was adopted.

It was decided that a list be made of the congregations in order of seniority and that in the future this be taken as the basis for representation at the general assembly instead of the roll of ministers. In the past the presbytery has been in rotation according to their place in the list.

As they are changed more or less all the time it was thought that it was more equitable to base the selection on the roll of congregations.

The report on Young Peoples Societies by L. E. Gibson was presented by Rev. L. A. McLean. It showed a decline in the number of societies.

T. H. Somerville was heard on behalf of the "Black Hand Society" and admitted address and at its close received the thanks of the Presbytery.

A committee was appointed to examine the credentials of Rev. Messrs. Power and Fulton, two young men from the Presbyterian Church in Montreal, who are applying for admission to the Canadian Church.

A report on statistics was presented by Rev. L. A. McLean.

The Presbytery then adjourned to meet again at 2:30 p. m.

On the docket for this afternoon is the nomination by the support of the members is the reconsideration of the case of Rev. J. J. McCaskill, notice of which was given at the last meeting. The announcement came as a surprise to most of the ministers who had believed that the action taken at the last meeting of the Presbytery was final.

## GRIMMER ADMITS FAILURE OF GAME PROTECTIVE POLICY

### Under the Criticism of Mr. LaBelle, He Says a Change in the System Must Soon be Made—Was Huffy at First, But Backed Down

FREDERICTON, April 6.—On the public accounts committee assembling this morning Mr. LaBelle brought up the matter in the auditor's report in respect to the expenses named under the head of fish, fowls and game protection. He stated in the strongest language that the system adopted by the present administration was not a satisfactory one and that the protection given to the game of the province was not what it should be. Speaking for his own county he knew that game in that district was being slaughtered to a great extent every year. This was caused from the establishing of lumber camps and young men going into the woods and all doing pretty nearly as they pleased.

The chairman thought if the question was to be discussed it should be done so in the presence of the surveyor general, and the latter was requested to attend.

On Mr. Grimmer's arrival Mr. LaBelle repeated what he had stated before the committee.

The surveyor general appeared somewhat the lack of interest under the present system is inclined to view the change with suspicion.

The general sentiment seems especially in favor of giving Mayor Bullock a second term unopposed on account of the excellent showing made during his first year in the office.

The proposal to split on party lines does not seem a popular one around the street. Most citizens while admitting the lack of interest under the present system are inclined to view the change with suspicion.

## BLAMES EXCESSIVE TAXES FOR DEFORESTATION

### T. Weyerhaeuser Points Out That Present System Makes It Impossible to Grow or Hold Timber

ST. PAUL, Minn., April 6.—Excessive taxes upon standing timber, and not the rapacious wastefulness of lumbermen have caused the denuding of the timber lands in the northwest, according to Frederick Weyerhaeuser, head of the varied Weyerhaeuser lumber interests. He made this statement today apropos of attacks upon Minnesota lumbermen last Friday in the House of Representatives by Congressman C. R. Davis.

Mr. Weyerhaeuser said: "The reason it is impossible for us to keep timber standing long is that a lumberman in this country must pay taxes not only upon his land but upon whatever timber may be on the land. The lumbermen have not planted young trees to take the place of the old because just as soon as the young trees get big enough to be seen by the assessor, the same old timber tax becomes payable. We would have to hold growing trees at least one hundred years before we make good lumber out of them."

"A reform of our timber and taxes is needed. We should initiate the laws in Europe, where growing timber is not taxed at all before it becomes suitable for lumber."

PITTSBURGH, April 6.—Two boys were killed and six were injured, several seriously, early today when a car on the St. Clair incline from Josephine street South side to Mount Oliver, broke away about the centre of the incline and plunged to the bottom.

Hughes has taken up the question of prize fighting with the idea of bringing about legislation looking to the suppression of the fight promoters which many so-called athletic clubs have been holding for more than two years in this and other corners of the State. These clubs hold prize fights under the guise of sporting exhibitions.

## PRIEST RECEIVED A BLACK HAND LETTER

### Threatened With Death if He Did Not Leave Town—Ascribed to Trouble in the Congregation.

WORCESTER, Mass., April 6.—A letter signed "Black Hand Society" and threatening death unless he leave town by Easter Sunday, was received today and turned over to the police by Rev. Vincent Buckoveck, rector of St. Casimir's Lithuanian Catholic Church of Providence Street. The congregation has had much financial trouble and when, a few months ago, Father Buckoveck was sent here by Bishop D. Beavan, of Springfield, some of the parishioners demurred to a request that they pay fifty cents a week toward the support of the church and in addition pay six dollars before Easter. The dissenters organized a new church known as the Lithuanian Catholic All-Saints Church and have since been trying to secure a pastor.

The priest said tonight that he intends to remain in charge of the parish and will take no notice of the threat.
