## STEAMSHIPS.

**The Avenue of Beauty to Europe**

Well, might Tom Moore seek to prove in verse the general beauty of the St. Lawrence. The majesty of its mountains, the splendor of its rivers, the softness and clearness of its atmosphere, equally noteworthy are the beauty of its nature and the service of the Royal Mail Steamships.

**ROYAL EDWARD and ROYAL GEORGE**

Prize ships of appearance, luxuriously appointed public cabins, excellent food, and the most efficient service, these ships are a new standard in steamship appointments. Connections can be made from Halifax and St. John and other Maritime ports through to Quebec and Montreal. Ask your travelling agent or write for leaflets. Illustrated booklet—free. Simply address:

## LIVELY RUNAWAY IN SUNDAY IN CHATHAM

Chatham, June 24.—There was a lively runaway on Water street Sunday afternoon. A horse from Russell's stable, Loggville, was being watered at the fountain in Haymarket square and after quenching his thirst he bolted suddenly throwing the driver out of the carriage and ran down Water street and was caught near the Rossing Mill of the Miramichi Lumber Co. There was no damage done except the driver received a severe shaking up when thrown from the carriage.

The town is alive this evening with red coats, as our soldiers boys coming from the 2nd and 3rd regiments are leaving for Camp Sussex for their annual drill. The 3rd are recruited from the four northern counties of Kent, Northumberland, Gloucester and West Gloucester, and has Col. G. W. Mersereau for commanding officer.

Three companies from here will be met at Chatham by two companies recruited from Lunenburg, Blenheim and Ladlow in this county, and one company under Capt. McKenzie, from Restigouche.

The advance guard of the regiment left for camp today to pitch tents, etc.
