POLICE UNEARTH CONTRACT FOR DYNAMITE PLOT AT SCRANTON, PA. IS AWARDED

Believe destruction of Dominion Bridge Company Powder Company's plant was designed—Find trunk of dynamite.

Scranton, Pa., Nov. 11.—Three men are under arrest and several strangers are being closely watched as a result of the finding of a trunk full of dynamite at the home of Eugene English, of Peckville, near here today. The authorities say they believe that they have unearthed a plot to blow up several powder houses of the Dupont Powder Company situated at Jermyn, a short distance from Peckville.

A CHILD DOESN'T LAUGH AND PLAY IF CONSTIPATED
If peevish, feverish and sick, give "California Syrup of Figs."

Mother! Your child isn't naturally cross and peevish. See if tonics is coated; this is a sure sign of little stomach, liver and bowels need a cleansing at once.

When listless, pale, feverish, full of cold, breath bad, throat sore, doesn't eat, sleep or act naturally, has stomach ache, diarrhoea, remember, a gentle liver and bowel cleansing should always be the first treatment given.

Nothing equals "California Syrup of Figs" for children's ills; give a tea-spoonful, and in a few hours all the foul waste, sour bile and fermenting food which is clogged in the bowels passes out of the system, and you have a well and playful child again. All children love this harmless, delicious "fruit laxative," and it never fails to effect a good "inside" cleansing. Directions for babies, children of all ages and grown-ups are plainly on the bottle.

Keep it handy in your home. A little given today saves a sick child to-morrow, but get the genuine. Ask your druggist for a 50-cent bottle of "California Syrup of Figs" then look and see that it is by the "California Fig Syrup Company."

Mrs. E. E. Church, treasurer, Soldiers' Comforts Association, acknowledges:

All is in readiness for the close of the big \$5,000 patriotic drawing on Monday evening next in St. Andrew's rink. A particularly interesting programme has been arranged, and there is every reason to expect a large gathering in attendance. Every person in the city who has purchased a ticket will no doubt be there as to know whether he or she has been lucky enough to win one of the fifty grand prizes totalling in value \$5,000, and if there are still persons about the city who have not made a purchase they should lose no time for the sale of tickets has been so encouraging as to furnish belief that none will be left over after Monday.

No one should be without some of these tickets. The returns are for the patriotic fund; the prizes suggest great possibilities as each is of good value, and there are fifty of them in all. Special interest of course attaches to the drawing of the automobile, a five passenger touring car, while much popular attention is also centered in the drawing for the piano, weights, carriages, oil paintings, wall paper, Imperial Theatre pass, rifle, loads of coal, groceries, and other valuable features. Buy your tickets now—don't delay, for you may be too late.

Mr. Charles Tupper's Funeral, Halifax, N. S.

Round trip tickets will be sold by Canadian Government Railways at one way first class fare from St. John to Halifax.

JAPAN HONORS HER EMPEROR

THE EMPEROR OF JAPAN.

Yoshihito, Emperor of Japan and 122nd head of the Japanese imperial house, after the first Emperor, Jimmu, whose reign began 2,575 years ago, has left Tokyo for Kioto to make his state entry into the capital of his forefathers and there formally accede to the throne of the Empire of the Rising Sun. The Monarch was to have been accompanied by Empress Sadako, but the nearness of the period when she is expected to give birth to another heir prevents her from participating in the ceremonies. The whole city of Kioto is in joyous fête unexampled in Japanese history since the triumphant entry of Emperor Mutsuhito nearly fifty years ago. Hundreds of thousands of people are there from the provinces, most of them to remain until the great celebration in Kioto at the end of the month, when the Emperor returns from Kioto.

The Soldiers in Europe

have written home repeatedly for Wrigley's—the Perfect Gum. Case after case has been shipped by our London office. Why? For the same reason that it helps workers at home. It quenches thirst, steadies the nerves, soothes, refreshes, benefits. A delicious aid to appetite and digestion.

Look at the sealed package. It guards the contents against air, moisture and impurity as carefully as men, machines and money can make it. It's the Perfect Gum in the Perfect Package.
