More than 1,200 Injured.  
Thousands of Houses Are  
Wrecked and Millions of  
Dollars Worth of Damage  
Done.

Chicago, May 28.—Tornadoes during the last three days in seven states of the middle west and the south have killed nearly 200 people, injured more than 1,200, wrecked thousands of houses, killed hundreds of head of live stock and devastated many thousands of acres of growing crops, according to summaries early today.

The latest in the series of tornadoes started on Sunday afternoon, apparently in the vicinity of Hillsville, southwestern Illinois, and swept southward across the river into Kentucky, down the Mississippi into Arkansas and Tennessee, and finally steered eastward toward Alabama, where the storm apparently spent itself. The dead in the four southern states was roughly estimated at 100, the injured at several hundred. The destruction began last night in Andale, Kansas, where twenty-six people were killed and sixty injured. Late on Saturday a twister, probably the most severe of the series, struck the rich corn belt of Central Illinois, killing forty-four persons and injuring perhaps 500 in Matteson. In Charleston, ten miles east of Mattoon, 37 were killed and 150 injured. The property damage in the two cities is estimated at \$2,000,000.

## SITUATION IMPROVES IN RUSSIA

General Appeal to Army to  
Resume Campaign Against  
the Teuton with Vigor.

Petrograd, May 27, via London, May 28.—Virtually all the divergent political factions, all class organizations, councils and even the social leaders, with the exception of the extreme Leftists, today re-echo an appeal made by Minister of War Kornilov to the troops and applaud the new order of the day "Advance." It remains to be seen how the army itself will receive this fine exhortation to patriotism and the defence of Russia's newly-won freedom.

## PIMPLES and BOILS ALL OVER FACE AND BODY

When the blood becomes impure you will find that pimples and boils break out all over the body, and although they are not dangerous trouble they make you appear unsightly both to your friends and yourself.

Burdock Blood Bitters will cleanse the blood of all the impurities and poisons which cause the skin to break out in these eruptions.  
Miss Sylvia Swanson, Theodore, Sask., writes: "I am letting you know what great value B.B.B. has been to me. A year ago I started to grow pale and weak, the cause being bad blood. I got so many pimples and boils all over my face and body that I would not let strangers see me, and I used to avoid company. I tried many remedies but all seemed a failure. I read about how good your B.B.B. had been to thousands of people so I got a bottle and after I had finished the second one my pimples and boils had all disappeared. People thought it a miracle how well I looked.  
"Your grand old remedy sure has been as good as gold and better, to me."  
Burdock Blood Bitters has been manufactured for the past forty years by The T. Milburn Company, Limited, Toronto, Ont. See that our name appears on the wrapper.
