By Telegraph. British and Foreign. [By Telegraph to Associated Press.] The "Observer" states that the Cabine yesterday had under consileration the last communication from the American Government concerning the Supplemental Ar-No solution has yet been reached likely to reconcile the requirements of the two Governments with regard to the article. The final decision of the American Government is expected within twenty-four Paul De Cassagnac fought a duel yesterday with M. Lockeray, editor of the "Rappel." The latter was slightly wounded. Lucas cotton mills near Rouen, were burned yesterday; loss 1,000,000 francs. One thousand operatives are thrown out of employment. The Mexican Revolutionists were again defeated. The prospects of saving the Treaty are not improved by late despatches received at the State Department. The propositions which the English Gov ernment make cannot be accepted. It is now too late for the Supplements Treaty to reach Geneva on 15th, the day aesigned for the meeting. Bennett died at 5.30 p. m., on Saturday, aged 77. Victoria, Victoria, Company in our Misery. A friend writing from St. John's, N. F., May 25th, says : "Like yourselves in New Brunswick we here in Newfoundland have to complain of most dismal weather for the season. If we chance to get one passably fine day (a rare occurrence) we are sure to get two or three miserably cold and the coast sensibly affect the atmosphere; Cape St. Francis (about 100 miles), are crowded with these venerable but rather unwelcome visitants. During this week business has been brisk, dealers flocking in from all quarters, and we may look for a continuance of the work for the next three weeks at least. Fresh codfish and salmon made their first appearance this week. Too dangerous to set out nets from the toundering of icebergs in the neighbourhood." Exports for June. HALL'S VEGETABLE SIGILIAN HAIR RENEWER. ITS EFFECT IS MIRACULOUS.

It is a perfect and wonderful article. Cures baldness. Makes hair grow. A better dressing than any "oil" or "pomatum." Softens brash, dry and wirry hair into Beautiful Silken Tresses. Above all, the great wonder is the rapidity with which it restores GRAY HAIR TO ITS OKIGINAL COLOR.

The whitest and worst looking hair resumes its youthful beauty by its use. It does not drye the hair, but strikes at the root and fills it with new life and coloring matter.

The first application will do good: you will see the NATUKAL COLOR returning every day, and appropriate the NATUKAL COLOR returning every day, and appropriate the NATUKAL COLOR. day, and BEFORE YOU KNOW IT. the old, gray, discolored appearance of the hair will be gone, giving place to lustrous, shining and beautiful locks.
