

# Industrial Canada

Covering all the Provinces and Territories.

Published Monthly at Toronto, Ontario.

**I**NDUSTRIAL CANADA is a determined but consistent advocate of the Industrial Interests of the Dominion. It discusses and encourages the growth of Canadian Trade, domestic and foreign, in a broad, intelligent and business-like manner.

**I**T contains valuable information as to Canada's Resources, its advantages, its development, its prosperity and its prospects, and contributes largely to the enlightenment and purification of Canadian sentiment in all the provinces.

## As an Advertising Medium

It occupies a foremost place. It is a Business-builder, and is sure to yield its advertisers an honest return for the outlay.

*All good citizens of Canada should have it, and all live, wide-awake Manufacturers, Merchants, Professional and Business Men, Mineral, Timber and Real Estate Brokers should advertise in it. Sample copies and rates on application.*
