

Business of the House

Mr. Speaker: Is the suggestion of the hon. minister agreed to by the house?

Some hon. Members: Agreed.

Mr. Knowles: Mr. Speaker, I wonder whether the house leader can tell us what the program is for Thursday?

Mr. McIlraith: No, Mr. Speaker, I am not able to do so at the moment, but I hope to consult with the house leaders of the other parties tomorrow.

At ten o'clock the house adjourned, without question put, pursuant to standing order.
