

Arlon.

October 14, 1916.

Please advise me, by the 18th inst. at latest, why you show in your list of unemployed only 18 persons, whereas actually there are from 180 to 200 unemployed in Z.Z. (that is to say, persons not following their trades of two years ago).

You will probably be authorised to proceed with water supply schemes as soon as I receive the complete list of unemployed persons.

(Signed) WOESINGER.

Athus,

To the Burgomaster of ZZ . . .

1. I herewith request you to furnish me with a list of unemployed male persons in your district. Among unemployed must be included persons relieved by any official agency. Among these agencies the "Commission for Relief" must be included.

2. The list must be drawn up in accordance with the attached example, in six copies, and will cover the period ending October 16, 1916.

3. Alterations in the list of any kind whatever must be communicated to these military Headquarters every Sunday, beginning with October 27.

4. The lists are to be drawn up in form and arrangement like the example enclosed, and in a very legible manner.

5. The lists in columns 2 and 3 are to be forwarded every Sunday, commencing with October 27, 1916.

(Signed) ROSE,
Commandant.
