# A Generous Response

Already a large number of our old subscribers and some new ones have taken advantage of the offer made to receive new and renewal subscriptions up to August 1st at the old rate of \$2.00.

Our Circulation Department report that during the past two or three weeks particularly, the number of renewals for from two to five years has been growing steadily.

Thinking that probably some may have overlooked it we have decided to hold the offer open for another two weeks.

If you want to be sure of the paper for the next few years at the \$2.00 rate, please send us by the 15th of August the attached form with your check for any number of years at the old rate.
