

OUR BIG GENERAL SPRING AND SUMMER CATALOGUE IS READY FOR DISTRIBUTION

BETTER THAN EVER

The Spirit of Spring—life, growth, progress—can be seen on every page of our 1917 Spring and Summer Catalogue. It is bigger than ever, filled from cover to cover with illustrations and descriptions of goods that our buyers have purchased from every available market and listing prices surprisingly reasonable considering the ever-growing difficulties of manufacture and transportation. The tremendous demand of our fighting armies limits, to a great extent, the supply of raw material that the manufacturer can use for home consumption. It is only through our excellent and thorough buying system, touching the great trade centres of America, Europe and the Orient, that we have been able to gather together the unusually satisfying display of merchandise pictured in our newest catalogue.
