And your space is confirmed. In advance. So just because you're paying a reduced fare doesn't mean you've got a reduced chance of getting a seat.

One last reminder — plan to book early, it will save you last minute headaches, and will help make your entire experience an upper instead of a downer.

We've got a way to get your next trip off the ground in great style — but you've got to make the first move. Just take a little trip to your nearest P.W.A. ticket office and buy a Youth Fly Pass. It's \$3. Be sure to take proof of age along. (Sorry, old-timers, it's for people under 22).

Your little effort will now start to pay big dividends. For one thing you get up to 1/3 off your fare.
