SEE... a revolutionary new selling method that will enable home-makers to buy Canada's best known furniture at prices that up to now would have been considered impossible. Leon's "supermarket" concept of merchandising home furnishings eliminates much of the expenses of other stores by having the entire operation of warehousing and display under one roof, reducing operating costs by up to 50%. Computer controlled bookkeeping methods cut costs and give you speedier service and delivery. These new 'cost-cutting' techniques, combined with huge volume buying will enable Leon's to bring you the finest in home furnishings at guaranteed lowest prices.
