Sir,-

Referring to letter to you of the 10th ultimo and your reply of the 4th instant regarding the proposal to erect an Agency house, I beg to say that when the owner of the land which it is desired to obtain as a sight for the building returns home you should at once interview him in the matter and report full particulars as to the terms of purchase, value of improvements on the lot etc. to the Department. I may add that it will not be necessary to obtain a surrender of the land in question.

Your obedient servant,

Secretary.
