MAY 22, 1914.

Sir,

22

I have to acknowledge the receipt of your letter of the 12th instant in further reference to the application of the Executive Council for the establishment of a new school on their reserve.

In reply I am to say that the Department would be willing to pay a limited amount for a building under and it would also pay to furnish a rough sketch, plans, dimensions and the nature of work, of the building that you may wish to construct for the school. It also is to be noted to cover this building provision will be made for a school.

Very truly yours,
