BRANCH

Ottawa, Ontario,
September 9th, 1937.

Dear Sir:-

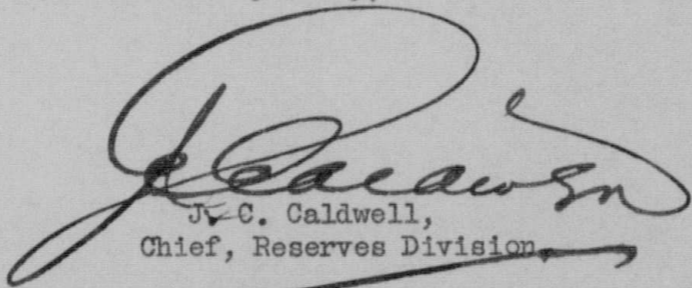

I wish to confirm radiogram sent
you yesterday as follows:-

"Replying your radiogram this date your
recommendation approved regarding proposed
harvest crop lower Kootenay Reserve Number
four. Writing."

In the above connection I wish
to acknowledge receipt of your letter of August 25th,
and your observations and recommendation will be brought
to the attention of the Surveyor General and you will be
more definitely advised a little later on.

I may say that the Department has
for some time been prepared to submit the necessary surrender
to the Indians in regard to the original proposition, but
apparently this action may be deferred temporarily.

Yours very truly,

J. C. Caldwell,
Chief, Reserves Division

D. M. MacKay, Esq.,
Indian Commissioner for B.C.,
VICTORIA, B.C.
