

JOHN DOTY,
(WORKS—YORK STREET, HAMILTON, C. W.)

MANUFACTURER OF

SUPPLIES FOR OIL & SALT WELLS,

INCLUDING

**WROUGHT IRON DRIVING PIPE,
PUMP TUBING, TEES, ELBOWS, RODS & JOINTS,
TONGS, CLAMPS, GAS VALVES, PUMPING JACKS**

AND

BRASS PUMPS.

Iron Cased the whole length, obviating the difficulty so often occasioned by the collars getting loose on the ends, or the bursting of the brass barrel. Everything furnished complete, from the largest to the smallest article required to put down a well and pump it.

IRON PIPES AND FITTINGS FOR BOTH STEAM AND WATER.

STEAM ENGINES AND MACHINERY

OF ALL KINDS,

For Mills, Tanneries, Distilleries, Breweries and Refineries,

MADE AND REPAIRED.

All kinds of Castings and Iron Works for Vessels,

INCLUDING

Windlasses, Winches, Chocks, Sheaves, Ports, &c.

WROUGHT IRON CARRIAGE AXLES,

Jack Screws, Press Screws for Cheese Factories, &c.

 All Orders filled at short notice, and at low prices.
