Laws' queens are doing business in every State in the Union and in many foreign countries. The demand for Laws' queens has doubled and is increasing every previous season's sales. Laws' queens and bees are putting up a large share of the honey now sold. Laws' stock is being sold for breeders all over the world. Why? Because it is the best to be had. Remember! That I have a larger stock than ever that I can send you a queen any month in the year and guarantee safe delivery; that I have many fine breeders on hand. Price \$3.00 each. Tested, each \$1.25; five for \$6.00. Prices reduced after March 15. Send for circular.
