NOTE—The latest monthly Returns received from Dawson, Yukon, and Fort George, B.C., are those of the 30th November, 1910, and the figures of those returns are introduced into this Account. The balance of the transactions for December with these Branches has been carried to a suspense Account, pending the receipt of the December accounts.

We have examined the above Balance Sheet with the Books in London, and the Certified Returns from the Branches, and find it to present a true statement of the Bank's affairs as shown by the books and returns.
