## *Central Business College* OF TORONTO

which has given it so distinctive a position among Business Schools, and so high a standing among the Educational Institutions of our Country.

It is the ONLY Business Training School in CANADA giving a specially prepared course leading to the examinations for the

### Commercial Specialist Certificate

Last year there were but EIGHT successful Candidates for this Certificate in the whole Province. We trained FOUR of these. Every one of the Four passed the examination, and THREE won honors.

This year Eight are in attendance working for this examination. Then Seventeen others are studying by Mail. We know the work. We produce the results.

Then we give a Special Course of Training for Teachers who desire to become qualified to win better salaries as

### Business College Teachers

A case or two will illustrate. W. Macalpine left the ranks of the Public School Teachers of Lambton Co. two years ago. To-day he is receiving a salary of \$800. Second Class Certificate man, but trained in six months for Business College work. P. M. Brown, left his school in Bona Vista, Nfld., last June. To-day he is receiving an initial salary of \$60 per month, payable semi-monthly, not quarterly, half-yearly or yearly, as in public school work. And both right here in Ontario.

Then we give excellent Courses of Training in all Commercial Subjects, including Shorthand and Typewriting, which qualify young people for

### Business Positions in Business Houses

Laura Quinn came to us two years ago, 15 years of age, with entrance standing. For several months she has been receiving \$15 a week, in a city office. She is but one of many equally successful. We give them the right training. They get and hold the right sort of positions.

### The Central Business College is a High Grade School

With Twenty Teachers, Fine Equipment, Superior Courses and a good reputation for thorough work and good products, it stands in a class by itself, as a strong, progressive, successful educational institution worthy of the patronage of the most critical.
