

We Sell FARM WAGONS

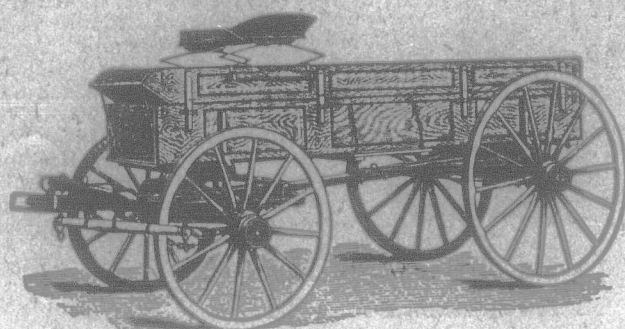

That are Built for Business, Built as Time
and Conditions Have Proved Best for the

Canadian Farmer

PETROLIA and CHATHAM

**FARM, FREIGHT
AND
ONE-HORSE WAGONS,**

**TRUCKS, DUMP CARTS, HAY and STOCK RACKS,
SLEIGHS, etc.**

Men who have spent a lifetime in the business supervise the construction of these wagons. The wood material is the best the market affords, and is kept until thoroughly seasoned. The ironwork is designed with a view to producing strength and durability. As a consequence, these wagons will be found strong, lasting, and light of draft.

International Harvester Company of America
