The MANTLE LAMP CO. of America, Chicago, Winnipeg and Dept. MONTREAL.

### GOSSIP.

#### "LES CHENAUX FARMS."

Beautifully situated on the north shore of Vaudreuil Bay, an extension of the Ottawa River, and two miles north of Vaudreuil Station, on the G. T. R. and C. P. R., in the Province of Quebec, lies the well-arranged and splendidly-equipped Les Chenaux Stock and Dairy Farms, the property of Dr. Harwood, 50 Sherbrooke street W., Montreal. Dr. Harwood is a striking example of those brilliant French-Canadians whose natural ambition and ability carry them to the front in whatever they undertake. Enjoying, as the Doctor does, one of the most extensive and lucrative practices in Montreal, as a mind-diverter he purchased the splendid Les Chenaux Farms, determined to get together a herd of dairy cows second to none on the continent. After thoroughly investigating the merits of the several breeds, he chose the Holsteins as best suited to his particular taste, and immediately set about to purchase as foundation stock those particular strains whose great producing abilities have made the Holstein famous the world over. That he selected wisely and well, is evident to anyone qualified to judge. On looking over the fifty-odd head now so comfortably housed in their commodious stables, the long rows of big, typical wedge-shaped dairy-type cows, carrying large, evenly-balanced udders, their contour indicating robust constitutions, great assimilative abilities, coupled with their rich breeding, backed as they are for generations with the blood of the breed's most notable sires and producers, they leave nothing to be desired as a herd of first quality, type and breeding. The chief stock bull in service is the intensely-bred Sir Aggie Beets Segis, a son of the famous King Segis, acknowledged to be the greatest bull of his age, with 53 A. R. O. daughters, 7 of them with records over 20 lbs. each, 5 of them with records of 27.94 lbs. each, at three years of age, he by Mercedes Julip's Pietertje's Paul, with 14 A. R. O. daughters, he again by Johanna Rue 2nd's Paul De Kol, with 26 A. R. O. daughters, 7 of them with records over 20 lbs. The dam and grandam of King Segis have records that average 28½ lbs. each in seven days. The dam of Sir Aggie Beets Segis is Aaggie Lily Pietertje Paul, who held the world's junior four-year-old record of 29.36 lbs., her age being four years and two months. Her dam and grandam have records that average over 19½ lbs. each, and she is sired by the great Paul Beets De Kol, with 95 A. R. O. daughters, one with a record of over 32 lbs., six with records over 25 lbs., and 29 with records over 20 lbs. He also has eleven sons with 35 A. R. O. daughters, and is a brother to Aaggie Cornucopia Pauline, the world's senior four-year-old champion, with a record of 34.32 lbs. Thus, in this bull is combined the blood of those two world-renowned bulls, King Segis and Paul Beets De Kol. Assistant in service is the no less renowned-bred bull, Prince Hengerveld of the Pontiacs, sired by King of the Pontiacs, regarded by some as the greatest living sire to-day, he being the youngest bull to have a 30-lb. official-record daughter, and being sired by Pontiac Korndyke, the world's most famous sire of to-day, he being the sire of Pontiac Clothilde De Kol 2nd, who has lately proven her title to the world championship by producing in seven days the great record of 37.28 lbs. butter. He is also sire of that famous cow, Pontiac Rag-apple, with a record of 31.62 lbs. The dam of Prince Hengerveld of the Pontiacs is Pietertje Hengerveld Belle, an untested daughter of the renowned Pietertje Hengerveld Count De Kol, who has nearly 100 daughters in the Record, three of them with records over 30 lbs. each, one of his daughters is the world-famed De Kol Creamella, with a one-day milk record of 119 lbs., and a 100-day record of 10,017 lbs. Thus, in this bull is a combination of the great Pontiac and De Kol blood, a combination of the blood of these two bulls along the lines in which breeding is being carried on at Les Chenaux Farms is certain to produce record results. Among the many great breeding matters of this herd are such high-class cows as the Toronto and Ottawa champion, Beatrice, with a seven-
