## The Rayo Lamp

### The Lamp That Saves The Eyes

Children naturally never think of  
possible strain on their eyesight when  
poring over a fascinating book.

It is up to you to see they do not ruin  
their young eyes these long evenings  
by reading under a poor light.

The Rayo Lamp is an insurance  
against eye troubles, alike for young  
and old.

The Rayo is a low-priced lamp, but it is constructed on the soundest  
scientific principles, and there is not a better lamp made at any price.

It is easy on the eye because its light is so soft and white and  
widely diffused. And a Rayo Lamp never flickers.

Easily lighted without removing shade or chimney; easy to clean and rewick.  
Solid brass throughout, with handsome nickel finish; also in many other styles and finishes.

Ask your dealer to show you his line of Rayo lamps; or write for descriptive circular  
to any agency of
