To Buyers Looking for a GOOD STALLION

I HAVE imported Percheron Stallions for years, always bought them from the best breeders in France, and beg to call the attention of prospect buyers to the fact that I have at the present time a better lot of Percheron Stallions in my barn than any barn in Canada. I have the big kind, the right kind, the kind that good judges are looking for. I won, as usual, more prizes at the leading fairs than all the Percheron importers put together. My horses are beautiful dappled-greys and blacks. Two to eight years old, weighing 1,700 to 2,200 lbs., with feet and legs that cannot be beat. Beautiful heads and necks. The kind that good buyers are looking for. I do not intend, and will not allow, if I can help it, anyone to give more quality and breeding for fixed price than I will. Come to the home of the Champion Prizewinners and judge for yourself.

JOHN HAWTHORNE, Simcoe, Ontario

IMPORTED Clydesdales of Quality

I have now on hand a stock of

Clydesdale Stallions and Fillies,
Percheron Stallions, Shire
Stallions, Standard-
bred Stallions, etc.

Totalling over 90 head. I have more size, more quality, more style and better breeding than was ever seen in any one barn in Canada before. If you want a big, ton stallion, or a high-class show stallion, or a big, well-bred quality filly, let me hear from you.

GOSSIP.

HORSES AT AUCTION.

The great annual auction sale of registered heavy draft horses at the Union Stock-yards, Toronto, on February 27th and 28th next, promises to be one of the events of the season. This sale is growing every year, and deserves the patronage of all breeders. Attention is called to the advertisement in another column.

An English magistrate, when giving judgment in a recent warranty case, would have his little joke. Said he, "After my long experience of the differences of veterinary surgeons, I quite expect that one day one veterinary surgeon will come and say, 'That is a horse,' and another will say, 'It isn't.' That is about the only thing left in which they can differ."

Wm. Smith, M.P., & Son, of Columbus, Ont., advise us that they have still left on hand a limited number of right nice quality and superbly-bred Scotch Shorthorn bulls. These bulls were sold en bloc some time ago, and several individual offers have since been refused. It turns out that the buyer cannot fulfil his contract, and the bulls are now for sale. Their breeding is the most fashionable, on pure Scotch lines, and their individuality and type leave nothing to be desired. They will in all probability go off quick, hence parties wanting something good should move quickly.

The demand for Shorthorn bulls has never been stronger in our many years of breeding, was the invariable answer received on inquiry from many of the breeders present at the annual meeting in Toronto. This is surely most encouraging as tending to show that the continual high price of beef and beef cattle has caught the attention of many Ontario farmers, who have decided to increase and improve their output, and capture their share of the high prices being paid for cattle for beef purposes. That good, well-bred Shorthorn bulls are getting very scarce is evident, and that the demand is also rapidly increasing, is borne out by the testimony of all the breeders.

HOLSTEINS AT AUCTION.

J. J. Wilson, of Ash, Ont., having sold his farm, will, on Thursday, March 7th, at the farm, "Sunnybank," one and a quarter miles north of Ash Station, G. T. R., and five miles south of Milton Station, C. P. R., where conveyances will meet all morning trains at both stations, sell by auction his entire stock of farm implements, horses, and other stock, among which are six registered Holstein cattle and seventeen graded Holsteins, particulars of which will appear in these columns in next week's issue. The terms will be seven months' credit on bankable paper, or five per cent. off for cash. Catalogues on application to Mr. Wilson at the above address.

SPECIAL PRIZES FOR PERCHERONS.

The Percheron Society of America, Secretary, Wayne Dinsmore, Union Stock-yards, Chicago, Ill., offer handsome special prizes at fifty leading United States and Canadian shows in 1912, for Percheron stallions and mares, the Canadian extending from Ottawa in the East to Lethbridge and Edmonton in the West. The conditions are that all animals competing for the prizes must be recorded in the Percheron Studbook of America, and the owner must be a member of the Percheron Society of America. All animals competing must be regularly entered on the books of the Secretary of the Fair when he shows his stock, and the correct name and number of each animal given. No medals or prizes will be sent forward until this information is received in proper form by the Secretary of the Percheron Society of America, and names and numbers of animals found correct according to the records of his office. When such information is received at the Secretary's office, the medals will be properly engraved and forwarded to the owner. For particulars, address the Secretary, as above.

HORSE OWNERS! USE

CAUSTIC BALSAM.

SAVE-THE-HORSE

(Trade Mark Registered.)

Get **SAVE-THE-HORSE** Book. The accurate way to make test for bone spavin. Facts and illustrations on all lamenesses never before published. Discoveries we have made in 16 years fully described in new book. Mailed FREE.

NASABAWETA, Ont., Dec. 11, 1911.—Troy Chemical Co., Binghamton, N. Y.—Dear Sir: Last June I purchased a bottle of Save-The-Horse for a bog spavin and thoroughpin, which I drew on while stoning with a stone machine; after a cure was effected I had one-third of the bottle left. I went West this fall, two days after she fell while playing in a rough pasture. The Veterinary blistered and poulticed her until I came home, two months ago, and she was still unable to put her foot under her. The Veterinary said it was a rupture in the coffin joint, as near the toe as it was possible to get. When I came home I discarded his treatment and used the remainder of Save-The-Horse and she is nearly sound. This mare is a dapple gray percheron, 3 years old, and weighs 1500 lbs. Please send me your opinion and another bottle of your cure, C. O. H., at once from your Canadian office. Yours truly, ALICE CHAWWORTH.

Write for letters from breeders, business men and bankers the world over on every kind of case.
