#### Conference Proceedings. The preparatory business of the Conferen

Committee, on Thursday, 20th June.

The Book Committee met on Friday the 21st There was a very full attendance of the members. The Executive Committee reported at length. both from the business of the Provincial Wesleyan, and of the Book Room. The Committee represented to the Conference, that the term of three years, for which the present Book Steward was elected, having expired; it will be necessary to elect an incumbent to the office, at the ensuing Conference. A vote of thanks, to the Rev. C. Churchill, A. M., in acknowledgment of his efficient services, both as Book Steward, and Missionary Society was held in the Centenary Editor, passed unanimously.

Report of the Agent, Rev. S. Avery, was read. The Committee recommended the appointment in connection with Sackville Academy.

By the Report, which was submitted, it appear-to the United States, British America, Australia, cerning the Book-Room and Guardian Office ed, that owing to the great depression in trade, during the past year, there was a serious falling &c. Here have been raised up great Churches, were given to the Conference. A free and &c. Here have been raised up great Churches, were given to the Conference and facilities took were made for holding the Annual Meeting of forward the Missionary enterprise; and where place on the presentation of these reports, octhe Society, on Wednesday, the 26th, at half-

on Sunday, were conducted by the Ministers, named in the published programme. Their minpreached, in the Centenary Church. The sermon consisted of a faithful and searching representation of the reasons, which prevent the wise statement of the means, through which men are brought to a knowledge of the truth; and it and prudent from knowing the way of life; a ended with a warning to professing Christians persons have been converted. This is what is well employed in considering the affairs of our against inconsistency of life, founded on the fearful influence, and consequent sad results of such a "what," he asked, "must our success be?" course; and a most earnest and effective appeal to since he visited it—with its religious meetings, to its increasing usefulness; and, fully satisfied feet of Jesus. Many minds were deeply impressed with a sense of the importance of the claims present state of Italy, presenting, as it does, Question of the day, the members of Conference of religion, and it is hoped that this sermon will result in leading many souls to Christ. matter: and Clergymen, Magistrates, and other most influence to prevent such villainous prac-tices, or when they fail in that, to secure the punishment of the scoundrels who commit them. Those two fellows who were put in jail at Guysboro' in January last for cutti line, will be tried next week, and we hope their other vagabonds from committing similar enor-

Scarcely a week passes without some wonderful discovery being made in reference to the precious metals. During the last few days speck imens of silver, copper and lead, from Sambro have been exhibited in the city. Gold has been found at Musquodoboit and also near Porter's Lake. A number of persons are now preparing to commence operations at the latter place. At Musquodoboit, on Tuesday last, we observed "He has come to abduct children from their two thin veins of quartz in a body of slate,

Its alliances are everywhere sought and appreciated. A sentence from the throne, or from the lips of a minister of state, will career its way.

"How dare he compare himself to Him who days," and the Garden was visited by a pretty trodgen nationalities, giving nopes to the down-trodgen, and striking with fear or vexation the very heart of the tyrant. There is the world-wide assurance felt that though our executive deals not in honied phrase, and is very out-sword shall perish by the sword?
