out of man."

In this brief paragraph Eve's biography is prop to lean on when age should come upon us, of weeds which in course of time, will grow and chiefly given. The material of which she was and life should be running to its dregs. The take possession of the soil.

ture! A little unseemly too, to be fashioned the dead. into a being of such beautiful form and such matchless loveliness. With God, however, all

things are possible. Out of that rib he perfected his own creation.

ly and lovingly.

of a rib out of the side of Adam; not out of his garding them as the inmates of a habitation tivation a single season. feet to be trampled on by him, but out of his which is to last forever, let them be treated as side to be equal with him, under his arm to be passengers in the same vessel with themselvesprotected, and near his heart to be beloved." as fellow voyagers to an eternal horme. In the Well and worthy to be heeded.

to him nor did it mar his comeliness, for its with their precepts, or to ply heaven with their Multitudes have no plan but to meet their implace was supplied. He could well afford to prayers. Paul travailing in birth that Christ mediate necessities and make money by the lose the rib to get the woman. That was more may be formed in his converts, is fit to image easiest and seemingly the shortest methods. If than compesnation. He doubtless found it so.

The marriage ceremony was a very simple af- ral earnestness, where with parents should long up dairying and work into sheep, with the excostly preparations were made. It was empha- | children. tically a case of love and marriage at first sight, The hymeneal altar was in the garden of Eden amid the beauty and fragrance of its lovely bowers. The epithalaminums were the mellow er of the nuptials was the Creator himself. No more than bring the woman to the man-presented her unto him and he accepted her. That was all. And that was enough. What need of any further ceremony?

God brought her to him. The way every good wife comes. Marriages to be happy must be Eden of innocence and purity.

When Eve was presented to Adam, his salutation was, " This is now bone of my bone, and flesh of my flesh ; she shall be called woman because she was taken out of man. Therefore shall a man leave his father and his mother, and shall cleave unto his wife." Matthew Henry indulges this thought-" Per-

haps | asrevealed to Adam, when asleep, that family ?" this lovely creature now presented to him, was a " Niver a one." piece of himself, and was to be his companion and the wife of his covenant."
