A Physician's Testimony
for Labatt's Ale.

"We find that the ale uniformly and well agreed with the
patients, that it stimulated the appetite, and thereby increased
nutrition. The taste, likewise, is always highly spoken of. In
nervous women, we found that a glass at bedtime acted as a
very effective and harmless hypnotic."—SUPERINTENDENT OF

Where the
Danger lies

Many a man has resolved to
insure his life some time in the
near future, but alas for his good
resolution, and worst of all for his
family, death has occurred before
the resolve has been put into
action.

The gravest danger lies in pro-
crastination, and the only safe
course for you to take is to act at
once. Now is the time for action;
a more convenient season may be
too late.

Our agents, located almost
everywhere, will assist you in
selecting a plan suitable to your
special requirements, or write
