You Need a Projection Lantern
 for your Church or Sunday School. Its great value may never have been realized by you. A little thought will, however, convince you that money is well spent in a lantern and slides.
 It has been amply demonstrated that the picture on the screen will interest, instruct and amuse where the spoken word alone will utterly fail.
 We can help you to get the best value and results from your investment in lantern goods. Will you accept our services? We are specialists in this line. Slides to hire and sell. Many interesting war slides. Slides made to order.

MONEY
 or property left for the family should imply that the principal will be invested to yield an income. But is it invested to yield an income? More often it is lost in some foolish venture. This cannot happen to a guaranteed monthly income.
 A large sum, when placed in the hands of an inexperienced person, is a temptation, and often proves a disadvantage rather than a blessing.

TONE
 Tone is the heart and soul of an organ. Tone is what pleases the congregation and helps them sing. Tone is what inspires the organist and choir to do their best. Tone is the outstanding feature of the
KARN Church Organ
 And the beauty of it is that it is lasting. A Karn is built for a lifetime. Its tone remains true and beautiful throughout the years.
