The annual Shorthorn auctions at Perth, Inverness and Aberdeen, were held the last week in February. Prices were not so high as last year in average for all the sales, but taken all round results were satisfactory and do not denote any less interest in the leading Scotch beef breed. At Inverness the average price for 104 bulls was £20 18s 7d., as compared with £22 7s. 10d., as an average price per 101 bulls in 1909. At Perth cows averaged £44 7s. 3d., as against £22 18s. 3d. in 1909; two-year-old heifers, £26, as compared with £28 6s. 4d., and yearling heifers, £28 15s., as compared with £22 13s. 4d. a year ago. Bulls sold up well. 301 bulls sold for an average price of £53 4s. 8d., as compared with an average price for 279 bulls of £43 13s. 6d. last year. At Aberdeen bull prices averaged £24 13s. 3d., as against £20 8s. 1d. in 1909.

In response to requests by the manufacturers to add classes for Steam engines at the Winnipeg Industrial motor contest the management has decided that classes will include engines up to 60 brake h.p.; 60 to 90 brake and over 90 brake h. p.; providing there are three or more engines entered in these classes.

The committee in charge have also decided to limit the number of entries made by each firm in each class to one, and that an entry fee for each engine in the internal and external combustion classes be \$25.00. This is done to partly offset the expense in conducting the competition, in a way that will be entirely satisfactory to every competitive manufacturer.

Several thousands of former members of the Queen's Own Rifles will assemble from all parts of the continent at Toronto next June, for a reunion in celebration of the semi-centennial¹ of the regiment. The festivities will commence Saturday, June 18th, with a reception at Government House, His Honor, the Lieutenant-Governor, like many other notables, being an ex-member of the crack regiment. On Sunday a monster church parade of members and the present members will be a unique affair. During the week, grand historical pageants on a scale only equalled at the Quebec tercentenary will be given by several thousand performers on the Rosedale athletic grounds. In addition, there will be numerous social meetings of old comrades.

In nearly every town and city in the Dominion, and in many in the United States and elsewhere, are men who have served in the Queen's Own, and the semi-centennial committee is desirous of getting personally in touch with as many of them as possible. To that end, it will greatly facilitate matters if the ex-members who see this will at once communicate with the permanent secretary, Mr. G. I. Riddell, 36 King Street East, Toronto, and prevail upon all the other ex-members they know to

Via Balgonie, Sask.

Our offering of one, two and three-year-old Clydesdale fillies is of a different class to what usually comes to Canada. They are large and full of quality, exceptionally well bred, three by Baron's Pride; not a plain bred one in the lot. A splendid pair of stallions, two and three years. Intending purchasers should see this lot before investing.
