set forth in the schedule hereunto annexed—which reservations shall be held and occupied by the said Chiefs and their tribes in common for their own use and benefit. And should the said Chiefs and their respective tribes at any time desire to dispose of any part of such reservations, or of any mineral or other valuable productions thereon, the same will be sold or leased at their request by the Superintendent General of Indian Affairs for the time being, or other officer having authority so to do, for their sole benefit, and to the best advantage. And the said William Benjamin Robinson of the first part, on behalf of Her Majesty and the Government of this Province, hereby promises and agrees to make or cause to be made the payments as before mentioned, and further to allow the said Chiefs and their tribes the full and free privilege to hunt over the territory now ceded by them, and to fish in the waters thereof as they have heretofore been in the habit of doing, saving and excepting such portions of the said territory as may from time to time be sold or leased to individuals or companies of individuals, and occupied by them with the consent of the Provincial Government. The parties of the second part further promise and agree that they will not sell, lease, or otherwise dispose of any portion of their reservations without the consent of the Superintendent General of Indian Affairs, or other officer of like authority, being first had and obtained; nor will they at any time hinder or prevent persons from exploring or searching for minerals or other valuable productions in any part of the Territory hereby ceded to Her Majesty, as before mentioned. The parties of the second part also agree that in case the Government of this Province should before the date of this agreement have sold or bargained to sell any mining locations or other property on the portions of the territory hereby reserved for their use, then and in that case such sale or promise of sale shall be perfected by the Government, if the parties claiming it shall have fulfilled all the conditions upon which such locations were made, and the amount accruing therefrom shall be paid to the tribe to whom the reservation belongs. The said William Benjamin Robinson, on behalf of Her Majesty, who desires to deal liberally and justly with all her subjects, further promises and agrees, that should the territory hereby ceded by the parties of the second part at any future period produce such an amount as will enable the Government of this Province, without incurring loss, to increase the annuity hereby secured to them, then and in that case the same shall be augmented from time to time, provided that the amount paid to each individual shall not exceed the sum of one pound Provincial currency in any one year, or such further sum as Her Majesty may be graciously pleased to order; and provided further that the number of Indians entitled to the benefit of this Treaty shall amount to two-thirds of their present number, which is fourteen hundred and twenty-two, to entitle them to claim the full benefit thereof; and should they not at any future period amount to two-thirds of fourteen hundred and twenty-two, then the said annuity shall be diminished in proportion to their actual numbers.

The said William Benjamin Robinson, of the first part, further agrees on the part of Her Majesty and the Government of this Province, that in consequence of the Indians inhabiting French River and Lake Nipissing having become parties to this Treaty, the further sum of one hundred and sixty pounds Provincial currency shall be paid, in addition to the two thousand pounds above mentioned.
