Plans and specifications for a very extensive drainage work, better known as the Detzler drain, under the Municipal Drainage Act, have been drawn up by Engineer Jones of Petrolia. The Award embraces about two hundred acres of Carrick land and about one thousand acres in Culross.  Killed in Action in France August 18th, 1918.

A very impressive memorial service was held in the Mildmay Methodist church on Sunday evening, conducted by a former pastor, Rev. A. W. Guild of Ponsonby. The church was filled to the doors, there being almost a solid representation of the friends and neighbors of the deceased soldier. The minister spoke from the text "Greater Love hath no man than this, that a man lay down his life for his friends." His words were most appropriate, and conveyed a splendid message of consolation to the sorrowing family. The church was fittingly decorated and draped for the occasion.

Soldier's Leave Extended. The military authorities are giving all the farmer soldiers a square deal. Realizing that the fall is a very busy season on the farm and that it is highly important that the greatest amount of fall plowing be done, the authorities have extended the soldiers leave until October 31st. The boys are all pleased to get back home to help finish up the year's work.

Cattle Sale on Saturday. The farmers of this section will be glad to learn that the reliable dealer, Mr. D. E. McDonald of Wingham, is bringing a carload of cattle to sell by public auction at the Royal Hotel, Mildmay, on Saturday afternoon, 28th inst., at 2 o'clock. The load consists of 20 feeding steers and heifers, 5 springers and 4 fresh cows with calf at foot. Mr. McDonald has a reputation of dealing only in the better grades of cattle, and this lot will be as good as any he has brought here. Many of the purchasers at the last cattle sale here made 50% profit on their purchases. Don't miss this chance to land some good feeders.

Former Carrick Man Killed. Mr. Justus Faupel of Bad Axe, Mich., a former resident of Carrick, was the victim of a fatal accident which took place on Saturday, Sept. 7th. He was engaged in hauling in beans into his barn and while unloading with the assistance of slings, the ropes became entangled in the pulley at the peak of the barn. Mr. Faupel was pulled up with a rope, and while attempting to loosen the pulley he slipped and fell to the barn floor, a distance of thirty feet. His skull was fractured and his brains crushed. He was rendered unconscious by the fall and remained in that condition until the end came on the following Tuesday. Deceased was 55 years of age, and was a son of Mr. Henry Faupel, who formerly resided on the 8th concession of Carrick. The family removed to Michigan about twenty-eight years ago. Deceased had a fine 200 acre farm, and was comfortably well off. He was a cousin to Mrs. Adam Fink of this village. He leaves a widow and eight children to mourn his tragic death. The funeral took place at Bad Axe on Sept. 15th.

Honor Roll Unveiled. The Honor Roll service in the Evangelical church on Sunday evening was very interesting. The church was very artistically and elaborately decorated for this inspiring service, and the church was so crowded that many had to stand. An excellent address delivered by Mr. Terrill of Ayton, was full of thought and was well received, as was also a patriotic reading given by Mr. I. R. Knechtel. The song service was entered into very heartily and enthusiastically by the congregation. Mr. George Robb of Clifford gave excellent rendition to two solos, and a duet by Misses Eickmeier and Gutzke was sung with tender feeling. The choir's rendering of two anthems was also much appreciated. The beautiful solid oak honor roll, with the names of the church's heroic soldiers inscribed in gold leaf lettering was draped with the British and American flags, which blended beautifully together. To the strains of the Canadian and American National anthems and other patriotic airs, the honor roll was gracefully unveiled by Misses Rosetta Helwig and Pearl Fink. It was a very impressive moment. The congregation then united in singing four verses of "God Keep and Guide Our Men" after which the St. Paul cadets with flags waving marched to the platform, and sang "We are Honored Bright Cadets." After the singing by the audience of "Keep the Home Fires Burning" the beautiful service was closed with the benediction.

Respected Carrick Man Dies. The death of Mr. Henry Stroeder of the 9th concession took place rather unexpectedly at Walkerton last Saturday afternoon. Mr. Stroeder had gone to Walkerton to see his wife who was undergoing treatment at the hospital, and on Thursday morning of last week while lying in bed, he was taken with paralysis rendering him almost perfectly helpless. He remained in that condition until the end came at three o'clock on Saturday afternoon. Deceased was 82 years of age, and had been a resident of Carrick nearly all his life. He was an honorable man, a fine neighbor and a kind husband and father. He had been in delicate health for about eighteen months, and his wife has also had three operations for gall trouble during the past year. He was greatly concerned about Mrs. Stroeder's condition and while visiting her at Walkerton he himself was stricken. He leaves a widow and five daughters to mourn his death. The funeral took place at Demerton R. C. cemetery on Tuesday morning and was largely attended.

Lutheran Pastor Weds. Rev. H. J. Lamaek, the popular pastor of the Mildmay and Walkerton Lutheran church, was united in marriage on Wednesday of this week to Miss M. E. Sippel of Blandford township. Mr. Lamaek's many friends here extend their heartiest congratulations.

Belmore Youths in Trouble. The storekeeper at Belmore has been put to considerable annoyance and financial loss during the past summer by petty thievery. The merchant missed several articles from his store, and the culprits then turned their attention to Mr. Gowdy's delivery wagon which was left in a stable near by, but which was securely locked. Many articles were being carried away, but how the boys secured an entrance into the building was a mystery until one of the lads was trapped, and he gave the secret away. They had dug a hole underneath the sill of the building, and camouflaged the excavation with sod. The Children's Aid Society was interested in the case, and the boys were summoned to Walkerton on Tuesday where they appeared before the magistrate. After hearing the evidence the boys were sent up for trial, but were given their liberty in the meantime on furnishing bail of \$100 each to appear for hearing at the next sitting of Judge's court.

Rev. W. G. Paterson Inducted. The induction of Rev. W. G. Paterson into the pastorate of the Mildmay and Ayton Presbyterian churches took place at Ayton on Tuesday afternoon. This field has been raised from the status of a mission to an augmented charge giving the congregations the privilege of choosing and calling their own minister. The call having been accepted by Mr. Paterson and sustained by Presbytery, the induction ceremony was arranged to take place at Ayton Presbyterian church. The sermon was preached by Rev. Mr. Scott of Holstein, Rev. Mr. Laing of Fordwich addressed the minister and Rev. Mr. Sturgeon of Mt. Forest addressed the people. The induction ceremony was conducted by Rev. J. H. Lemon of Clifford. After the induction service the visiting ministers and laymen were entertained to a splendid dinner provided by the Ayton congregation at the home of Mrs. A. Wenger.

The other expenses were for the services of the chartered banks in receiving subscriptions, keeping account delivering securities at their branches, some thirty five hundred in number, throughout Canada, over a period of many months, and paying interest upon coupons, free of exchange during the entire period of the life of the bonds, and for the additional cost of administration in the Department of Finance, where a temporary staff numbering more than six hundred was engaged for months in connection with the work of the loan.

An exchange says:—It is not difficult to distinguish a green driver or one that has had very little experience with an automobile. Each day or evening as he drives up street he has his "cut out" working overtime and creating such a noise as to make his car rattle from end to end. In many places the "cut out" is forbidden. In reality it is an unnecessary plaything to amuse amateur drivers.
