Only part of the wheat berry is fit for food. Yet much that isn't often gets into flour. You cannot see it or taste it, but it's there. It is simply a case of the miller getting more flour from his wheat and your getting less nourishment.

## Royal Household Flour

## Men and Women of Ontario

This **APPEAL** You .....is for.....

The Great Provincial Charity, The Hospital for Sick Children, Calls On You For Aid.

Remember that this Hospital is not a local institution, but Provincial.

It cares for every sick child in the Province of Ontario whose parents cannot afford to pay for treatment.

Many dollars are better than idle tears. The sympathy that Weeps is good, but the Hospital has to have the sympathy that Works.

Last year there were 1093 patients admitted. Of these 375 came from 254 places outside of Toronto—all were children of poor people who could not afford to pay for treatment of their little ones.

Each child was in the Hospital 47 1/2 days at a cost of \$1.31 each per day, or \$62.22 for the 47 1/2 days stay.

If your dollar could straighten the feet of a little boy or girl with club feet, you would gladly give it, and your dollar will do that. There were 79 cases of club feet treated.

last year. Out of the 75, about 50 were from the country.

If you know of any child in your county who is sick or has club feet, and whose parents can not afford to pay, send the name to the Hospital Secretary.

The stock books are open. Won't you let the Hospital write your name down for a few shares in Heaven's own work of healing little children?

A great mine of Mercy—the mining stock that always pays dividends—bought with the money that helps The Hospital for Sick Children to extract the Gold of Life from the Quartz of Death.

Please send contributions to J. Ross Robertson, Chairman, or to Douglas Davidson, Sec.-Treas., of the Hospital for Sick Children, College Street, Toronto.

J. V. Phillips has secured a position with the Dominion Government as one of their civil servants. His duties will commence January 1st. We are sorry to part with a good citizen, but glad he has so good a position.
