

The Song of the Hair

There are four verses. Verse 1. Ayer's Hair Vigor stops falling hair. Verse 2. Ayer's Hair Vigor makes the hair grow. Verse 3. Ayer's Hair Vigor cures dandruff. Verse 4. Ayer's Hair Vigor makes the scalp healthy, and keeps it so. It is a regular hair-food; this is the real secret of its wonderful success.

A GREAT PICNIC

The annual picnic of the Merchants and Clerks of Brockville is to be held at Delta Park on Monday, August 3rd, Brockville's civic holiday. This is an annual event that is eagerly anticipated by people along the line of the B. & W., as well as by residents of Brockville; for the picnic has become famous for providing all the comfort and fun that can be crowded into one day.

The B. & N.W. has secured enough additional passenger coaches to carry the largest possible crowd, and the accommodation will be A-1. There will be two trains each way, morning, noon and night.

Lacrosse and baseball matches and an immense list of land and water sports are being arranged. There will be dancing and fireworks in the evening. The 41st Batt. Band will furnish music.

A special invitation is being sent to Athens merchants and clerks to be present. It will be the biggest picnic ever held in these counties.

About \$400 worth of valuable prizes have been donated by wholesale houses all over Canada, and these will be hung up for the various events. See programme.

District News

FRANKVILLE

The Methodist church Ladies' Aid, Toledo, gave an ice cream social on Mrs Stratton's lawn on the 15th that was very largely attended, though the weather was threatening. The picnic part was directed by the pastor, Mr Henderson. The Misses Gainford of Athens gave several cornet duets; Master Chas Nichols and Keitha Smith, recitations; Mary Brown of Addison gave two songs; Miss Jennie Brown, Frankville, a song; Mr Chas Dunham a song; Rev Mr Dymock, an address. The entertainers and the hosts did nobly.

Miss Georgie Mitchell passed in Brockville successfully the examination "Advanced Senior," of her musical course. She has gone in quite regular ly each Tuesday.

The people of Kitley may be thankful for the generous crops that are maturing.

Mr James Church of Smith's Falls will preach on the 26th at Frankville, Mitchels and Toledo. The pastor will be absent that Sunday.

Mr and Mrs Wm Looby have camped again for the season on Bass lake.

There will need to be a vigorous war waged against our English sparrow. It practically lives on seeds and lights on the heads of grain while standing as well as in the stook. The finer birds hate it for its selfishness.

The district is practically in accord with the Reporter as to the removal of the Model School from Athens. To centralize in a few expensive places is a big step backwards.

GLEN MORRIS

Mr Arthur Bradley is spending the haying and harvesting season with his brother-in-law, Mr Geo. Read, Outlook.

Mr Charlie Morris has returned home from a visit with Junetown friends.

Miss May Stuart, Chantry, is spending her holidays here the guest of Mrs Johnson Morris.

Mr F. Moore, Mrs Moore and Miss Moore spent the 12th at Merrickville and report a very pleasant time.

Friends are congratulating Mr and Mrs C. B. Howard on the arrival of a little son.

Messrs. Donald Morris and George Ferguson were successful in passing the entrance exams. Congratulations.

Mr Albert Morris has had his residence painted, which adds very much to its appearance.

Mr Johnson Morris has purchased a binder from Taylor & Son.

The valuable pony "Kit" belonging to Jacob Morris, is improving under the care of Dr Thompson.

Mrs John Frye and Miss Zelde Frye, Soperton, were recent guests here.

Mrs James Patterson, Athens, was the guest of Mrs L. A. Robeson on Saturday.

There is a bountiful crop of raspberries in this section.
Mr Royal Moore has purchased a new mowing machine.

A MANITOBA LETTER

Editor Reporter.
Dear Sir,—I thought it might not be out of place for me to write a short letter to give you the ideas I have of the West and Manitoba in particular. I have been out here fourteen months, and we could not have had nicer weather, take it all through, than I have experienced out here.

The winter was perfect, not more than eight inches of snow at any time. The spring opened up lovely, seeding was all done early, and certainly the prairie is now beautiful to look at. As far as the eye can see, it is carpeted with green, dotted by all kinds of flowers, such as lilies, crocuses and roses.

The grain is looking fine with quite a lot headed out. Our wheat is coming in head. Barley is all in head and oats are fine.

Last week we had occasion to drive to Snowflake, a distance of 60 miles, and we had a delightful trip. Down that way it is older settled than here and more, in some ways, like Ontario. Fences on both sides of road, and such nice roads, no stone to bother, and great, large bank barns and fine houses. Of course, there is no bush, but a great many cultivated trees and clumps of natural growth. It is a wonder to see great fields of 100 to 200 acres all in wheat.

Now, if any one were thinking of visiting these parts, I would say that it is this time of year the country looks its prettiest.

Mrs. John N. Barber.

GREENBUSH

Greenbush, July 18.—Haying is nearly done. It is a light crop.

Mrs Hessin of Toronto, is spending her vacation with her aunt, Mrs W. G. Olds.

Corn, of which a large quantity was planted, is doing well. The apple crop is almost a failure on some farms.

Some patches of potatoes have been struck with the blight already. Thos. Kerr has a splendid piece of clean fall wheat, which is estimated will turn 30 bushels to the acre. If the farmers would take the same time and expend as much labor in preparing the land for wheat as they do for raising corn undoubtedly they would raise fall wheat. One thing is certain, there is a better chance to get the land well seeded to timothy hay when sowed in the fall.

When a man has a miss with his timothy he is losing money every year that he leaves it to grass.

Another fact that is worthy of notice is that if a man had 20 acres of wheat that turns 30 bushels to the acre at \$1.00 per bushel (which is \$600.00) he will not have to draw so many tons of pressed hay and shorts from Brockville, which means a very heavy draught on the profits, to say nothing of the continual labor of milking and taking care of a herd of cows every day of the year. It is the opinion of the writer that some men's expenses are set over against the profits so that they will find nothing after them.

Mrs (Dr) Morgan of Toronto is the guest of Mrs T. Kerr.

McBratney of Athens was in this section lately, paying the highest price for live hogs.

Death has entered our midst and taken Josie, second youngest son of Mr and Mrs Edward Kennedy. He was a remarkably attractive and intelligent boy, far above the average of his age. He was a great favorite with all his school mates. He was not in good health for some months and was suddenly seized with hemorrhage of the stomach and died to death in a few minutes. The funeral which was very largely attended, took place to-day.

The Rev Mr Curtis, of Addison conducted the religious services. His pall-bearers were six little boys chosen from his school mates. Mr and Mrs Kennedy and the other brothers and sisters have the sympathy of the whole community.
