A Curious Matrimonial Case.

During the past ten years the Great Shoshonee Remedy has faithfully redeemed every promise and guarantee made to the public. Alarming and apparently hopeless cases of Lung Diseases, Dyspepsia, Liver Complaints, Affections of the Kidney, Chronic Complains, and every description, including Scrofula and Skin Diseases of long duration, have been permanently removed and eradicated. Those who volunteered their testimony to the efficacy of the Remedy are not bogus men in unheard-of localities of foreign lands, but respectable citizens of this Dominion, easy of access and open to question, upon whose verbal recommendations we are willing to rest the reputation of the Great Shoshonee Remedy. If you are afflicted do not delay until medicine may be powerless to assist you. No injurious effects can possibly follow the use of these Indian Remedies, as they contain no minerals, by which the frame of the invalid is so often sealed under the influence of some temporary stimulant. These Indian Remedies are widely known and still possess the public confidence after the lapse of sufficient time to test their efficacy. The Shoshonee Vegetable Sugar Coated Pills have won a high reputation, and a favorable reputation of any pill before the public. Their efficacy has been fully proved by the following cases: Black Headache, and inactivity of the stomach. Price of the Remedy in pint bottles \$1.75. 25 cts. a box.
