who find life a burden, can have health and  
strength restored by the use of

## Milburn's Heart and Nerve Pills.

The present generation of women and girls  
have more than their share of misery. With  
some it is nervousness and palpitation, with  
others weak, dizzy and fainting spells, while  
others there is a general collapse of the system.  
Milburn's Heart and Nerve Pills tone up the  
nerves, strengthen the heart and make it beat  
strong and regular, create new red blood cor-  
puscles, and impart that sense of buoyancy to  
the spirits that is the result of renewed mental  
and physical vigor.

Mrs. D. O. Donohue, Orillia, Ont., writes:  
"For over a year I was troubled with nervous-  
ness and heart trouble. I decided to give Mil-  
burn's Heart and Nerve Pills a trial, and after  
using five boxes I found I was completely cured.  
I always recommend them to my friends."

## Every Two Minutes

Physicians tell us that all  
the blood in a healthy  
human body passes through  
the heart once in every two  
minutes. If this action be-  
comes irregular the whole  
body suffers. Poor health  
follows poor blood; Scott's  
Emulsion makes the blood  
pure. One reason why

## SCOTT'S EMULSION

is such a great aid is because  
it passes so quickly into  
the blood. It is partly di-  
gested before it enters the  
stomach; a double advan-  
tage in this. Less work  
for the stomach; quicker  
and more direct benefits.  
To get the greatest amount  
of good with the least pos-  
sible effort is the desire of  
everyone in poor health.  
Scott's Emulsion does just  
that. A change for the  
better takes place even be-  
fore you expect it.

We will send you a  
sample free.  
Be sure that this  
picture is on the wrap-  
per of every bottle of  
Emulsion you buy.

## INVESTIGATION INSURANCE

Hon. Mr. Fielding Makes a  
Statement Regarding  
the Matter

Ottawa, Feb. 28.—Hon. Mr. Field-  
ing has issued a statement in which he  
says that the commission appointed on  
Monday will inquire into "Insurance  
affairs." Seemingly this will comprise  
every branch of insurance business. It  
has been assumed in some quarters  
that the Superintendent of Insurance,  
Mr. Fitzgerald, will be a member of the  
commission. The Minister of Finance,  
however, thinks it is best that the con-  
stitution of the commission should be  
entirely independent of insurance de-  
partment. The services of Mr. Fitz-  
gerald and his staff, of course, will be  
at the disposal of the commission when-  
ever required. The commission are also  
empowered to employ expert assistance  
whenever in their opinion such will be  
necessary. The secretary of the com-  
mission is Henry T. Ross, of Bridge-  
water, N. S., a leading member of the  
Nova Scotia bar.

## CYCLONE STRIKES A MISSISSIPPI TOWN

Mobile, Ala., March 2.—A long dis-  
tant telephone message from Meridian  
Miss., says a cyclone accompanied by  
heavy rains, struck that city this eve-  
ning at 6.30. The storm centre was in  
the southern portion of the city. Near-  
ly every building in the front street re-  
ported to have been demolished. The  
Armour Packing plant from which the  
message was received is the only build-  
ing standing, and the roof of this is  
gone. Fire broke out in the ruins and  
despite the heavy rain the flames were  
burning fiercely when the report was  
made. A number of bodies are reported  
to be in the ruins and rescuers were  
working by candle light. It is thought  
that 150 bodies were in the wreckage.  
Great damage was done to the Western  
Union and Postal Telegraph Companies  
wires. A conservative estimate places  
the number of buildings blown down as  
between 30 and 40. The cyclone passed  
over in about two minutes and the wind  
was 75 miles an hour.

## Afflicted with Rheumatism

"I was and am yet afflicted with  
rheumatism," says Mr. J. C. Bayne,  
editor of the Heron Advertiser, Indian  
Territory, "but thanks to Cham-  
berlain's Pain Balm am able once more to  
attend business. It is the best of lin-  
iments." If troubled with rheumatism  
give Pain Balm a trial and you are  
certain to be more than pleased with  
the prompt relief which it affords.  
One application relieves the pain. For  
sale by all druggists.

## WILL THERE BE WAR IN EUROPE

Paris, March 2.—The Journal to-  
day published the result of an investi-  
gation conducted by its correspondents  
along the German frontiers. The  
paper says the Germans do not desire  
war, but the German army is ready  
and its superior mobilization plans pre-  
pare to be in readiness to return to France  
at any time within forty-eight hours  
after the receipt of final instructions.  
Their expenses on the return journey  
are guaranteed them. The notice is  
believed to be the result of the strain-  
ed relations in European affairs.

## MEMORY OF PAARDEBERG

Paardeberg, and General Cronje's  
surrender there six years ago, were  
vividly remembered by the local veter-  
ans of the Boer war, who held a banquet  
on Tuesday evening in the Park Hotel.

## LEBIG'S FITCURE

Twenty former South Africans sat  
down making with their guests, a party  
of twenty-seven. A well arranged toast  
list was carried out. Mr. H. D. Mc-  
Leod replied to "The King," Hon. R.  
J. Ritchie responded to a toast; Lieut.  
McLean responded to a toast to the Im-  
perial Forces; Mr. Fred W. Coombs  
and Mr. Norman P. McLeod took care  
of the Canadian contingents; Messrs.  
Walter Irvine and H. Bette prop-  
osed and responded to "The Ladies." The  
healths of the 19th Brigade and of Capt  
Jones were drunk. Songs were con-  
tributed by Messrs. Jack Williams, S.  
Matthews, A. Simpson and banjo  
selection by G. Davidson.—Globe

## N. B. TEMPERANCE FEDERATION

The New Brunswick Temperance  
Federation, which completed its  
provincial organization last week,  
is already preparing to establish  
branch federations in the various  
counties of the province as arranged  
by the constitution adopted at the  
last meeting. The counties of  
St. John, Kings, Queens, Albert  
and Westmorland are to be  
brought into line at once. It is  
proposed to hold a meeting in the  
Temperance Hall, Market Building,  
at 8 o'clock p. m., March 12th  
next, to start a branch federation  
for the county of St. John. To  
this meeting representatives from  
all the temperance societies in the  
county that are desirous of affili-  
ating with the federation are  
invited. The constitution also  
provides for temperance men not  
associated with any society  
becoming members of the federa-  
tion on subscribing to its platform.  
In addition to the counties named  
above it is expected that North-  
umberland and Kent will also be  
organized almost immediately and  
that it will not be long before York,  
Carleton, Restigouche and  
Charlotte will have branch tem-  
perance federations. The organiza-  
tion is alive and its members  
mean that it shall be a power in  
the province.—Sun.

## An American Disease.

Some doctors go so far as to say  
that indigestion is the national disease  
of America. There is but one national  
remedy for indigestion and that remedy  
is Dr. Hamilton's Pills which accel-  
erate the action of the gastric glands and  
give tone to the digestive organs. They  
strengthen the kidneys and liver, cleanse  
and purify the blood and thus add gen-  
eral tone to every organ of the body.  
Flesh and strength are fast restored  
and the patient can eat and digest any  
kind of food. Test Dr. Hamilton's  
Pills yourself, —25c. per box or five  
boxes for \$1.00 at all dealers.

## KING EDWARD HAS A BUSY DAY IN FRENCH CAPITAL

Paris, March 4.—King Edward's  
visit to Paris is attracting great at-  
tention, enormous crowds cheering his  
every appearance on the streets today.  
The cordiality of the greetings ex-  
changed between the king and Presi-  
dent Fallieres during his majesty's  
official call at the Elysee Palace was  
much remarked. The conversation  
between the two lasted half an hour.

Later the president returned the  
call at the British embassy, where a  
state dinner was held this evening,  
at which President Fallieres and Pre-  
mier Rouvier with their wives were  
among the guests. There were no  
speeches during the dinner. After-  
wards King Edward, President Fall-  
ieres and M. Rouvier conversed for  
nearly an hour in the smoking room.

During the course of the day For-  
mer Presidents Loubet and Casimir-  
Perier left the Elysee Palace for the  
British embassy. The king invited M. Loubet  
to dinner on Monday.  
The Princess Beatrice and Ena of  
Battenburg, who lunched with King  
Edward today, will leave for Biarritz  
on Monday, where they will await  
the king's arrival. Later an in-  
terview between the kings of England  
and Spain will occur there, at which  
official comment on the marriage of  
Princess Ena to King Alfonso will be  
given.

## A Favorite Remedy for babies

Its pleasant taste and prompt cures  
have made Chamberlain's Cough  
Remedy a favorite with the mothers of  
small children. It quickly cures their  
coughs and colds and prevents any  
danger of pneumonia or other serious  
consequences. It not only cures croup,  
but when given as soon as the croupy  
cough appears will prevent the attack.

## THIS PRETTY CANADIENNE

Saved From Terrible Kidney Disease  
By "Fruit-a-tives."

MASSON, P. Q., Nov. 16th, 1904.  
"I have much pleasure in reporting to you the great benefit I have  
received from taking 'Fruit-a-tives'—and I feel that I cannot say too  
much in favor of a medicine which has done me so much good. I was a  
martyr to that distressing complaint, chronic constipation accompanied  
with severe headaches, backache, sick stomach and all the symptoms of  
dyspepsia. I had also a dreadful complexion, sallow in the extreme and  
black under the eyes. I had every symptom of kidney irritation and I  
had been told by physicians that my kidneys were affected. I consulted  
a number of physicians and took various remedies but received very  
little benefit. Last May I was advised to try 'Fruit-a-tives' and when  
I began to take them I had little faith of getting anything to give me  
permanent relief, but after I had taken half a box of 'Fruit-a-tives' I  
began to feel better and before I had finished one box the constipation  
was relieved the headaches left me, the pain in my back was better and I could sleep as  
soundly as when I was a child. Also, my complexion began to clear up again, all the sallow-  
ness disappeared and the black circles under my eyes went away. The pain in the back  
gradually left me and all signs of kidney disease disappeared by the first of August after I  
had taken three boxes. Since then I have continued to improve and now I have none of my  
old symptoms and my appetite is good, digestion splendid and my complexion as clear as  
when I was a young girl. Also the constipation from which I had suffered so long has been  
entirely cured and it is not necessary for me to take the 'Fruit-a-tives' now as I am quite well  
in every way. I took no medicine but 'Fruit-a-tives' but I followed faithfully the directions  
as to diet etc., given in the pamphlet which accompanies each box of 'Fruit-a-tives.'  
(Sgd.) FLORENCE JAMISON.

Every part of the body is constantly decaying and being renewed.  
The dead cells, or tissue waste, should be removed by the skin,  
kidneys and bowels. When these organs do not act regularly, this  
poisonous matter stays in the system—is taken up by the blood—  
carried to heart, liver, stomach, brain and nerves all over the body  
—and poisons everything it touches.

"Fruit-a-tives" keep each organ clean and healthy. "Fruit-a-  
tives" act on the skin, stimulating the millions of minute glands and  
opening the pores so the waste can escape. They act on the liver  
sending more bile into the bowels and making the bowels move  
regularly and naturally every day. They act on the kidneys,  
strengthening and invigorating these organs and curing all kidney  
disorders.

At all druggists or sent postpaid on receipt of price—  
50c. a box or 6 boxes for \$2.50.

## DID THEY HANG INNOCENT MAN?

WINNIPEG, March 5.—The rumor  
comes from Calgary that "Vm. Hayward  
on charge of murdering whom Charles  
King was hanged in Edmonton last  
summer, has been recently seen alive in  
the northern wilds, where the tragedy  
was believed to have taken place. King  
was convicted on his second trial. The  
evidence, though strong and incriminat-  
ing, was nearly all circumstantial. Few,  
however, put much credence in the  
rumor, which has become widespread.  
The evidence was so strong that there  
could be only a slight possibility of such  
a terrible mistake occurring, although  
King died protesting he was innocent.

## Sleeplessness

Disorders of the stomach produce a  
nervous condition and often prevent  
sleep. Chamberlain's Stomach and Liver  
Tablets stimulate the digestive organs,  
restore the system to a healthy con-  
dition, was nearly all circumstantial. Few,  
however, put much credence in the  
rumor, which has become widespread.
