EMULSION CURED
THE HIGHEST MEDICAL THE WORLD.

the systematic and persistent use of scott's Emulsion of Pure Cod Liver Oil with Hyposulphites and all the virtues of these two most valuable staples to the most delicate stomach, and we are now being used with better results for Consumption—and the diseases leading to it, Anemia, General Debility and the many other wasting diseases. The rapidity of the cure is truly marvellous.

of Cod Liver Oil with Hyposulphites during his scrofulous and consumptive cases, palatable and

last year I have used in my own family, and in my own case of Cod Liver Oil with Hyposulphites and of children. It is agreeable to the most delicate of stomachs, and is the most valuable remedy in consumptive and scrofulous cases. Specially, A. H. SEXTON, M. D., Baltimore.

two months I have fairly tried Scott's Emulsion and I declare that it is the finest preparation of the kind I have ever used, and that it has cured me of my disease.

Yours truly,
 J. SIMONAUD, M. D., New Orleans, La.

MESSRS. SCOTT & BOWNE.—Gentlemen.—In September, 1875, my health began to fail and my physician pronounced it spinal trouble; under his care I got some relief, but my general health did not improve, and early in the winter I began to rattle blood and rapidly grew worse. In May last I was taken with a violent bleeding, which brought me to my bed and my life was despaired of for many weeks; violent symptoms appeared, night and morning coughs, night sweats and short breath, and a return of the spinal trouble. My physician stopped the bleeding and then ordered Cod Liver Oil and Lime; and I used various preparations, but they did me no good. I lost all hope of it and was an object of pity to all my friends. Last September I purchased a bottle of your Emulsion and before it was all taken I was better. I afterwards bought a dozen bottles, with the following results: Coughs subsiding, night sweats stopped, appetite returned, pains in spine also passed, strength returning, and my weight increased from 128 to 140 pounds in sixteen weeks. I have taken no other medicine since commencing with your Emulsion and shall continue its use until I am perfectly well. I frequently mention the name of the street who asks, "What cured you?" and I answer, "Scott's Emulsion of Cod Liver Oil." I have a friend who has not spoken aloud for 15 months, and he is getting better. I gave him a bottle and he bought two more, then got a dozen, and says it is food and medicine for him. He was given up to die a year ago, but he is improving now wonderfully. My recovery is exciting the surprise of many people, and shall do all I can to make known your valuable medicine.

Very truly yours,
 H. F. SLOCUM, Lowell, Mass., January 20th, 1876.

MESSRS. SCOTT & BOWNE.—Gentlemen.—I got a bottle of your Emulsion and at that time I was so prostrated that no one could see me though I could live longer than a few weeks at most. I could retain nothing on my stomach and was literally starving. I commenced the use of the Emulsion in small doses; it was the first thing that went down my stomach; I continued its use, gradually increasing the dose; and from that hour I commenced mending, and now am able to ride and walk, and am gaining flesh and strength rapidly. I have advised other parties to try it, and some two or three have already tried it. I am sure I shall entirely recover.

I am gratefully yours,
 R. W. HAMILTON, M. D.
