

MERCHANTS SEEK AMENDMENT TO GARNISHEE ACT

Delegation Waits on Premier Sifton, Asking Change in Exemption Clause of Act.

DEBTORS PAID WEEKLY ARE EXEMPT UP TO \$100 PER MONTH

J. D. McArthur, Winnipeg, Railway Contractor, Seeking Information For Line to Dunvegan.

A delegation of retail merchants waited on Premier Sifton yesterday to register their dissatisfaction with the present status of debtors under the Exemption Act.

PREPARED TO APPOINT NEW COMMISSIONERS

Special Committee of City Council May Make Recommendation—Five Names Mentioned—John Stocks, John Chalmers, A. G. Harrison, C. L. Richardson and R. G. Davidson.

After a delay extending over several months, it is stated, good authority that the two vacant places on the board of city commissioners are about to be filled.

\$10,000 TO FIGHT REMOVAL OF TRACKS

Property Owners on Ninth Street Will Not Permit Change of Street—Wants to Fight in Court.

To protest against the proposed removal of railway tracks from Ninth street to Eighth street and to hold out to the city commissioners a threat that they will fight in court, a delegation of property owners waited on Premier Sifton yesterday.

"I was Crippled, could hardly walk and had to crawl down stairs at times on my hands and knees. My doctor told me I had an acute attack of inflammatory rheumatism. I was in the hospital for weeks, but was scarcely able to walk when I left it. I read about Dr. Miles' Nervine bought a bottle and began to get better from the start, and for the past six months I have had scarcely any pain and am able to walk as well as ever."

J. H. SANDERS, P. O. Box 5, Rockaway, N. J. Few medicines are of any benefit for rheumatism, but Mr. Sanders tells plainly what Dr. Miles' Restorative Nervine did for it. One ounce of salicylate of soda added to one bottle of Nervine makes an excellent remedy for rheumatism, which is now known to be a nervous disease and therefore subject to the influence of a medicine that acts through the nerves, as does Dr. Miles' Nervine.

Suffers from rheumatism seldom fail to find relief in the use of Dr. Miles' Nervine, with salicylate of soda. Sold under a guarantee that assures the return of the price of the first bottle if it fails to benefit. At Dr. Douglas, MILES MEDICAL CO., Toronto, Can.

DON'T LET THAT COUGH ROB YOU OF SLEEP

You probably know all too well how it goes. Just as you doze off, the tickling starts in your throat. A gentle cough, still asleep. A harder cough, and then another. First thing you know, you're wide awake, coughing your head off.

TO PURCHASE MORE MACHINERY AT ONCE

Conference Between Commissioners and Superintendents Results in Decision to Order Three New Power Machines for Installation Early in Year.

The immediate purchase of two rotary converters, for the operation of the street railway system, and the addition to the power plant of still another two second-hand converters, was decided upon by the city commissioners at a conference held by them this morning with the superintendents of the street railway department and power plant respectively.

The original recommendation of Superintendent Knight that the pressing deficiencies of the plant, in so far as they concern the street railway department, be met by the purchase of two rotary converters, which can be delivered within two or three weeks, will not be adopted.

NAVY WAS IN NO SHAPE

Bereford Didn't Say so Before Because Period Was so Critical.

London, Nov. 28.—Lord Charles Bereford, speaking at Southsea last night on the Moroccan situation said that he had avoided mentioning the word "crisis" recently because of the conditions that then prevailed all should forget party and support the government. He felt that the strongly worded statement he had made in his book setting forth the real state of affairs.

DISCUSS NEW WHARF

The construction of a wharf on the river bank, immediately below the present low level bridge, was also discussed, and the committee were advised that this matter would receive immediate consideration.

TO MAKE CITY MORE ATTRACTIVE

A copy of a resolution passed at the recent convention of the Union of Canadian Municipalities, forwarded to the council, emphasizing the importance of making the provincial capital as attractive as possible, led to a discussion of the responsibility of the Provincial Government in this matter.

INQUIRE INTO OLD AGE PENSION

Ottawa, Nov. 27.—J. W. Burnham, of West Peterboro, gives notice of a resolution to be introduced in the House of Commons, which will inquire into the old age pension in Canada with a view to the establishment of such a system.

PICK A. G. HARRISON AND JOHN CHALMERS

They Have Been Appointed as City Commissioners at \$5,000 Each—Committee Tells of Ottawa Trip—Hudson's Bay Proposers to Sell Flats to City for Park.

WHAT THE COUNCIL DID LAST NIGHT

Appointed John Chalmers and A. G. Harrison city commissioners at an annual salary of \$5,000. Received from the Hudson's Bay Co. an offer of the Gulf Links property for park purposes at \$2,000 per acre.

Authorized an expenditure of \$16,000 on additions and improvements to the filtration plant.

Made a grant of \$2,000 towards the expenses of the 1912 convention of the Dominion Medical Association.

Received report of delegation which visited Ottawa recently.

Decided to apply to the Provincial Government for a grant for park improvements.

The vacant places on the board of city commissioners were filled by the council at the regular meeting held last evening by the appointment of John Chalmers and A. G. Harrison.

The only objection raised to the terms of the offer was suggested by the requirement that the city should expend a given amount upon improvement within a stated period of time.

REPORT ON TRIP EAST

The special committee of the council composed of Mayor Armstrong, Ald. McInnis and Ald. Mould, who visited Ottawa recently to bring to the attention of the council matters of interest to the city, submitted a report on their trip in which they expressed entire satisfaction with the reception accorded them by Premier Borden and his ministers, stating that they were confident that the matters brought to their attention would receive prompt consideration and action as will result in the removal of the penitentiary, the construction of an armory, and the acquisition of a rifle range in the near future.

READY FOR OPENING OF THE LEGISLATIVE ASSEMBLY THURSDAY

Arrangements Practically Complete For First Session in New Capitol Building.

AMPLE ACCOMMODATION IN GALLERIES FOR PUBLIC

Admission to Floor of House and Speaker's Gallery Will Be by Ticket.

Arrangements for the opening of the Legislative Assembly on Thursday afternoon at three o'clock are now practically complete.

The legislative chamber in the new capitol building is ready for occupation, the desks of the members and the gallery seats having been put in place. The bridge across Saskatchewan avenue has been finished and a temporary flooring laid, so that the building can now be approached by the front of Seventh street, as well as from Ninth street. Entrance to the legislative chamber will be through the main front of the building through the main corridor and rotunda and up the grand staircase to the main door of the chamber. Staircases on either side lead to the galleries.

Grant to Medical Men

A grant of \$2,000 towards the expense of entertaining the delegates to the convention of the Dominion Medical Association, to be held in Edmonton during exhibition week, 1912, was authorized.

Park Offered For Sale

A communication was received from the land commissioner of the Hudson's Bay Company offering for sale to the city for park purposes a tract of land comprising approximately 165 acres. The price asked is \$150 per acre. The city is to be offered the land on the condition that it will be used in perpetuity for park purposes and will be subject to the provisions of the park act.

WEIGHING ON CITY SCALES

Ald. Mould's proposal to pass a by-law requiring the compulsory weighing on the city's scales of all men and horses which come to the city for weighing, was the subject of a lengthy discussion, and action was once more deferred until a future meeting of the council, when the matter will be brought up again.

NEW MAGISTRATE FOR CALGARY A PIONEER

Col. Sanders Has Had a Most Interesting Career in the Northwest—Was in the Rebellion and Headed Troop of Scouts in South Africa.

High Tribute is Paid to Colonel Sanders in a Biographical Sketch Appearing in the Northern News of Athabasca Landing, where the Colonel has been stationed for the last two years as commander of the Royal North-West Mounted Police.

The subject of the sketch is now in Edmonton on his way to Calgary to assume office as the police magistrate of the city, where he was formerly, from 1898 to 1906, in command of the R.N.W.M.P.

Col. Sanders is a Canadian, having been born in British Columbia. He received his early education in England, and at the appropriate age he entered the Royal Military College at Kingston. He graduated from this institution in 1884 and was appointed to the R.N.W.M.P. as an inspector on September 1st of that year.

The Colonel took part in the North-West Rebellion of 1885, and for the next thirteen years was employed along the frontier between Macleod and Maple Creek, during which time he was constantly engaged in suppressing horse stealing amongst whites and Indians. He was the means of stopping the old time hostilities between the Bloods of the Canadian side and the Gros Ventres and Assiniboines in Montana. These were the days of the wild and woolly west, and the Colonel had many thrilling adventures.
