More than one best?

When you ask your grocer to send you the best flour, he sends you—his best. When you know the best flour and order by the name, the choice is not left to the grocer. Many grocers handle

Royal Household Flour
as their leader. They have found it the safest flour to recommend because its results are sure and its purity is unquestioned. If your grocer's best is not Royal Household, insist on his getting it for you. The benefit will be mutual.
